***You are the salt  
of the earth;  
And you are the  
light of the  
world.***

We know that salt not only serves to add flavor; it is also a preservative. We know that light destroys darkness and brings us both clarity and beauty. Also, as C.S. Lewis says in *Mere Christianity*, there may be more to this metaphor. When light falls over a dark place, all those who were in the darkness suddenly become visible, which shows how different and individual they all are. When we add salt to a food, the flavor does not kill the taste of the food; rather, it brings out the individual flavors. Now all metaphors break down at some point; we could add too much salt and ruin the flavor, or even too much light. It is not like that with Christ and us. The more we get what we call “ourselves” out of the way and let Him take us over, the more we truly become ourselves, and the better we reflect Christ to the world.

A dynamic, parish-based program designed to help revitalize parish life and mission through a more profound experience of Sunday Mass. It helps the entire parish—adults, teens, and families—grow in their Catholic faith and live more fully as missionary disciples of Jesus.

*Living the Eucharist* runs during Lent. Parishioners can take part in adult and teen faith-sharing groups, family activities, devotional and catechetical Lenten readings, and a prayer campaign.

***We will continue our 2020 Lenten Season to meet in small prayer groups as we did last year!***

The *Living the Eucharist* materials are provided to participants and a small group leader will guide the group in prayer, reflection and Lektion Divina for 6 sessions during lent.

Look for the signup sheets in the narthex and sign up for your preference of class times.

***We will begin on Sunday, February 23th***

## CTK Library News:

There is one word to describe books by Catholic theologian Scott Hahn: Enlightening. A prolific author, captivating speaker, and distinguished professor, Hahn is known throughout the world for his defense and promotion of the Catholic faith. ## Catholic Leadership INSTITUTE

### **What is Called For More?**

The Called for More Pilot is an initiative of the Catholic Leadership Institute (CLI). CLI is an international Catholic apostolate founded almost 30 years ago to support all leaders in the Roman Catholic Church with the best leadership tools and training to fulfill their roles in the Church. CLI received a grant from the Lilly Endowment to pilot a new process for supporting priests and parishes in thriving in ministry. By gathering information about each priest and each parish, the pilot seeks to give parishioners more awareness about the needs and opportunities of their local community, priests more awareness and support around their ongoing ministerial development, and the diocese better information with which to consider and discern priestly assignments and parish support. Catholic Leadership Institute's grant calls for 12-15 dioceses in the United States to participate in the pilot. Your diocesan bishop and his senior leadership have opted to accept the invitation to participate.

CLI's criteria for participation included the 1) bishop and diocese's desire to support their priests and parishes better, 2) dioceses of different sizes and locations, 3) bishops and dioceses willing to have all of their parishes and priests participate, 4) bishops and dioceses with larger strategic objectives to help encourage growth in their parishes and among their priests.
