### Addendum A

(August 2020)

If, during the course a LIVE session via ZOOM/ GOOGLE MEET, connectivity is lost, the student is responsible for contacting that teacher to alert him/her that he/she lost connectivity with the lesson within 30 minutes of noticing that connectivity was lost.

The student is responsible then for all missed work and information.

Once the teacher is aware of the student's absence from the Virtual Learning Classroom, either via contact from the student or noticing that he/she is no longer present, the teacher will supply the student with pertinent information from the lesson so that the student is able to complete his/her work.
