NAVY

MARINES

COAST GUARD

Dear SCS Families:

I have set up a Google Classroom Space for the school to celebrate the United States Military throughout the year.

On this page, I welcome all to share pictures and stories of loved ones who have served and/or are serving.

We can use this space to also learn about the different branches where Mrs. Brezina and Ms. Blue will begin posting videos and other links to enrich knowledge of the military.

The Google Classroom Code to join is **k2zrpy4**.

We would love to see the entire school participate on this special page.

Best Wishes and God Bless,

Mrs. Brezina and Ms. Blue
