

January 21, 2021

Dear Parents,

Third grade general music students at Saint Columbkille School will be learning to play the recorder in music class this semester.

Recorders can be purchased through the school for just six dollars. The cost includes an Angel Soprano Halo Recorder from Peripole, storage case, cleaning rod, cork grease, fingering chart, music, and shipping and handling. Each student will need to bring in a hanky or small cloth from home. The hanky or cloth will be used with the cleaning rod to clean out the instrument after each use. Please pay by check, making checks payable to Saint Columbkille School, and send payment to the office by Thursday, February 4, 2021 in the attached envelope. If your student will be using a recorder from an older sibling who is no longer studying recorder in school, please indicate that on the envelope so I will know I don't need to order one.

We're looking forward to a great recorder experience. Thank you for your support and encouragement. If you have any questions please contact Mrs. Marek at mmarek@stcolumbkilleschool.org.

Sincerely,
Mrs. Marek
Music Teacher
