

Immediate job opening for: Teacher of Biology

Position

Teacher of Biology – Full-Time Position

Department

Science

Reports to

Dean of Academics

Summary

Mary Help of Christians Academy in North Haledon, NJ, has a full-time vacancy in the Science Department for a Biology teacher of students in grade 9, that is motivated, passionate, and engaging in both an online and in-person classroom setting with a 1:1 Apple iPad environment. Applicants should be certified, be in the process of acquiring certification, or be eligible for certification in the State of New Jersey. Candidates should possess strong interpersonal skills, and excellent oral and written communication skills. Qualified persons are asked to submit a letter of interest and resume to Mr. Edward Zambrano, ezambrano@maryhelp.org. The closing date for applications is July 28, 2021.

Duties include:

- Develop and teach highly engaging, academically rigorous curriculum and lessons aligned with our pedagogical philosophy and mission.
- Build professional, lasting relationships with students, inspiring them to hold themselves to a high standard of character and academics.
- Uphold classroom decorum and expectations to support students development of autonomy and ownership of their education.
- Establish collaborative work practices within your department through monthly department meetings.
- Keep current communication with families through the FACTS portal and grade postings.
- Model Saint Don Bosco and Saint Mary Mazzarello's Salesian charism of reason, religion and loving kindness when dealing with students.
- Analyze assessment data to inform your instruction.
