PASTOR'S MESSAGE

"On the evening of that first day of the week, when the doors were locked, where the disciples were, for fear of the Jews, Jesus came and stood in their midst and said to them, "Peace be with you." When he had said this, he showed them his hands and his side. The disciples rejoiced when they saw the Lord. Jesus] said to them again, "Peace be with you. As the Father has sent me, so I send you." And when he had said this, he breathed on them and said to them, "Receive the holy Spirit. Whose sins you forgive are forgiven them, and whose sins you retain are retained." Jn 20:19-23

In the gospel above Jesus gives his peace to the apostles. Jesus gives Divine peace to all who follow and obey him. The peace that Jesus gives is different than the peace that world gives as he says in John's gospel, "Peace I leave with you; my peace I give to you. Not as the world gives do I give it to you. Do not let your hearts be troubled or afraid." Jn 14:27 Divine peace is much stronger, longer lasting and deeper than worldly peace. Worldly peace is when things are going the way I want them to go. Divine peace is when I am doing God's will not my own will. It is easy to see this in our world today; a world that is severely lacking peace because it refuses to obey and follow Jesus.

Divine peace is the normal status of our soul when we are in harmony with God. We were designed to be at peace with God as we obediently carry out his will and not our own. We are his beloved children and his servants. We fall into distress and anxiety because we stop doing God's will and we pursue our own will. Divine peace is one of the greatest gifts given to disciples of Christ. Let us run to God to receive the treasure of Divine peace.

God bless, Fr. Fasnacht
