PASTOR'S MESSAGE

"Jesus entered a boat, made the crossing, and came into his own town. And there people brought to him a paralytic lying on a stretcher. When Jesus saw their faith, he said to the paralytic, 'Courage, child, your sins are forgiven.' At that, some of the scribes said to themselves, 'This man is blaspheming.' Jesus knew what they were thinking, and said, 'Why do you harbor evil thoughts? Which is easier, to say, 'Your sins are forgiven,' or to say, 'Rise and walk'? But that you may know that the Son of Man has authority on earth to forgive sins"—he then said to the paralytic, 'Rise, pick up your stretcher, and go home.' He rose and went home. When the crowds saw this they were struck with awe and glorified God who had given such authority to human beings." Mt 9:1-8

Are you in need of spiritual healing? We all need it. Jesus went around not only healing people's physical illnesses but more importantly their spiritual illnesses. In the gospel above, Jesus first heals the man of his spiritual illness of sin, before he heals him physically. Spiritual healing is much more important than physical healing. So how do we find spiritual healing? The first place are the sacraments, especially Confession and the Eucharist. It is also important to seek spiritual healing through prayer and scripture. Christian prayer groups are a great way to receive healing from the Lord. It is important for us to gather, read and pray with scripture and pray over each other for physical and spiritual healing.

God bless, Fr. Fasnacht

QUOTES FROM MOTHER THERESA

Make every effort to walk in the presence of God. To see God in everyone you must live your morning meditation throughout the day.

My aim is to bring people closer to God.

I remember my mother, my father and the rest of us praying together each evening. It is the greatest gift to a family. It maintains family unity. So go back to family prayer and teach your children to pray and pray with them.

Accept whatever He gives and give whatever He takes with a big smile.

Maybe in our own family we have somebody who is feeling lonely, who is feeling sick, who is feeling worried. Are we there?

True love is about giving; and giving until it hurts.
