*Thank you for your generosity! May God bless you.
Gracias por su generosidad! Que Dios los bendiga*

THANK YOU

The Shrimporee is such a large event and it takes a lot of work from many people to make it a success. I wish to thank all of our volunteers from the set up to the take down. There would be no way that we would be able to have the Shrimporee without the generous donations of time and money of so many people. There is no way that I could list everyone that helped in all of the different capacities but know that whether you donated time, talent or treasure, I praise God for you all. We will have the final report soon.

May God bless you all for your work and generosity.

Shrimporee Auction 2019, results are posted in the bulletin board in the back of the church.

Divorce and Remarriage

Anyone who has experienced the pain and challenge of divorce after marrying through the Church as we are taught as Catholics are to do, may be open in the future to the possibility of a solid and lasting relationship in their life...in which they marry in the Church. The "annulment" process is not meant to impose extra hardship on those who avail themselves of it, but rather a way to address the issue that--just as a person married according to the form of religious teaching they were reared within, something must have been lacking since if it were a marriage as Christ intended, the pain and emotional impact of parting would not have been necessary. Anyone who is interested in considering the annulment process should simply call Father. It is NOT horrible, expensive (\$250 is the overall fee, but is immediately waived if requested and no fee is discussed again), or extremely long taking years (average is approximately 4 months). It can bring peace of conscience, closure to past experiences--as well as open up the possibility of marrying within the Church. If it is something that you might at least be more interested in knowing about, just call!
