Sharing My Time and My Talent with God

I offer this day to you, dear God.
Thank you for the blessings you have given me.
May I use these gifts to build your kingdom.
May my actions be a reflection of your love.

May what I do today
bring others closer to God.
May my words be kind and gentle
and may they bring joy to others.
Today, help me to give back a portion
of what you
Have given me.
I ask this in Jesus' name. Amen.

Connect with God

Statistics show that billions of text messages are sent every month in America. Just the thought of being out of touch with friends and family is enough to make many people nervous. Staying connected is the way we live, the way we relate, the way we survive.

How important is it then to stay hooked up with our God? It is up to us to keep that connection active and strong, and the good news is that it is easy to do. Come to Mass on the weekend, say a prayer every morning or evening (not just before tests!), spend some time in a personal conversation with Jesus.

The power of our faith, when we are truly connected to God and to each other, can change the world!

What is your special gift?
How are you called to serve?

Each of us has a cause, a passion, a dream that is waiting for us by God's design. When we share our time with God and our talents with each other, we learn more about ourselves and our place in God's creation.

Each of us is called to share our unique gifts with each other in a real way.

Spending Time With God

Imagine a day when you didn't talk to your family or friends. Would you miss their company and support? How important is it, then, to take time each day to talk to God? When you say prayers at bedtime, attend Mass with your family, say the rosary or just talk quietly with God, you are growing in faith. Make a promise to spend some time with God each day.
