

Communications

The purpose of this ministry is to assure that members of our parish community are kept informed of news and events by providing timely and ongoing communications through our parish newsletter, "The Garden", our parish website, bulletin boards and local media resources.

“When I stand before God at the end of my life, I would hope that I would not have a single bit of talent left, and could say, ‘I used everything you gave me.’ ”

Time Required:

Communications is broken into several components – website, newsletter, parish publications, and publicity. Depending on what you are volunteering for, the frequency or need to meet can vary. We try to accommodate everyone’s needs when scheduling meetings and often times we communicate through email. You may choose to offer a few hours a month to write an occasional article, submit a message for the bulletin, update our bulletin boards. We are also in need of assistance in taking photographs, contacting publicity departments in various media and updating our website. In many cases, work can be done at home or in our parish center.

Talent:

Perhaps you possess a talent for writing that you wish to share in fulfilling our ministry’s mission. However, of greater importance, is your willingness to help in any capacity. Please consider sharing some of your time and efforts in reaching out to others with the messages of our parish.
