

The Stewardship Program: AN OPPORTUNITY FOR GROWTH

In the weeks ahead, you will be reading more about a new initiative taking place in St. Joseph the Worker and Our Lady of the Lake. The Stewardship Program is an opportunity for all of us to address the most pressing needs in our parishes through prayerfully considering the amounts we give back of our talents, time and treasure.

We are truly blessed to be a vibrant worship community and our many ministries depend on the commitments made by each of us - the parish's stewards.

In addition to increasing our time spent in prayer, at Mass and volunteering in the parish, our hope is to increase the number of families who pray about and pledge their level of support for the coming year. Our goal is to have 150 families complete and return commitment forms this fall.

To strengthen stewardship at St. Joseph the Worker and Our Lady of the Lake, we request that you consider utilizing Electronic Giving. Online Giving is fast, it's easy and many parishioners are already taking advantage of it.
