

## **The Stewardship Program: MOVING FORWARD**

As you know, St. Joseph the Worker and Our Lady of the Lake is now involved in  
The Stewardship Program.

In recent weeks our parish has been preparing for the Initiative by recruiting volunteer leadership, updating parish records and producing initiative materials. Soon all members of St. Joseph the Worker and Our Lady of the Lake will be invited to participate in The Stewardship Program. We hope you will respond positively and with generosity.

By now you should have received a letter from Father Mike describing initiative and how each parishioner can be involved. It is an opportunity for all of us to take an active role in growth of our parish and for each parishioner to practice the principle of stewardship — giving back a portion of our blessings to God.

**On November 28 & 29, each parishioner will be asked to make a commitment** to the parish. Please pray about your participation in this important effort.
