This week in Alpha:
How Does God Guide Us?

“I will instruct you and show you the way you should walk, give you counsel and watch over you.”
(Psalm 32:8)

Why involve God in the decisions we make?

• God promises to guide us.
  (John 10:3-4, 27)

• God has a good plan for our lives.
  (Jeremiah 29:11)
  (Romans 12:2)
  (John 10:10, 15)

Please pray for those currently in Alpha this week as they prepare for a retreat on Saturday, March 25th.

 Didn’t make this session of Alpha? We’ll be offering another session in the fall!

CRC RICE BOWL FAMILY CHALLENGE

“Lent is a favorable season for deepening our spiritual life through the means of sanctification offered us by the Church: fasting, prayer, and almsgiving.” (Pope Francis, 2017). Prayer, fasting and almsgiving are foundational to Lent – and to CRS Rice Bowl. Through simple, meatless meals, daily reflections, and an opportunity to give help to others, CRS Rice Bowl embodies these Lenten spiritual pillars in a way that’s accessible to Catholics young and old. Consider participating in the 2017 CRS Rice Bowl Family Challenge being sponsored by the diocesan Marriage & Family Life and Social Concerns offices. Pick up a CRS Rice Bowl from your parish. For more information and the family challenge form, go to http://socialconcerns.colsdioc.org.
CATHOLIC FOUNDATION SCHOLARSHIPS

The Catholic Foundation has announced its Online Scholarship Application Period is now open. This year, 22 students in the Columbus diocese will receive awards from scholarship funds stewarded by the Foundation. In an effort to streamline the process, the Foundation has made it easier than ever to apply with a complete listing of available scholarships, qualifications, and applications on its website. Of the 22 scholarships available, 10 require a submitted application based on the aforementioned criteria. The scholarship deadline is April 7, and the recipients will be notified in May.

Scholarship recipients are selected based on the criteria established by donors who created the funds to support gifted and deserving students by assisting them with the costs of their education. Donors often establish scholarship funds to honor or memorialize friends, teachers, family members, or other loved ones. Since 2007, The Catholic Foundation has awarded over $287,000.00 in scholarships empowering 94 young people to continue their academic and vocational studies. With continued generosity of donors who share this dedication to education, the Foundation will continue to support students as they answer God’s call.

For detailed information and the full list of scholarships, please visit https://grants.catholic-foundation.org/scholarships or call the Foundation at 614-443-8893.

Parent Corner

American Academy of Pediatrics and the Canadian Pediatric Society did research on the negative effects technology has on kids under 12 years old. Too much technology during developmental years has permanent effects on their brains. Things such as developmental delays, attention deficit, aggression, mental illness, and obesity. Here is a quick chart for how much screen time is age appropriate. There is a strong correlation between aggression and pornography. Make sure your child’s cell phone has a curfew!
