SHARING HIS LOVE, ENCOURAGING HOPE
UPDATE
Thank you for those who have already responded with your pledge to the 2018 Bishop’s Annual Appeal. Our Lady of Peace has received 349 responses with pledges totaling $76,738.00. Our parish’s goal is $80,364.72, so the parish is 95.49% of the way to the goal. We still need to hear from about 500 of you. As every gift matters, please return your 2018 Bishop’s Annual Appeal envelope with your commitment to helping many parishes and organizations in the Diocese of Columbus.

If you have yet to pledge, please complete a pledge envelope and return it this week. May God continue to Bless You for your generosity and faithfulness. As a reminder, all funds received to the BAA over goal are returned to your parish free of the diocesan tax. Your gift moves the parish closer to the goal, and your pledge may just be the one gift that gets us across the goal. Please help. Thank you.

REST IN PEACE

OUR LADY OF PEACE, PRAY FOR US!
Cross brings life to Crosiers in Africa

The Crosier Fathers and Brothers are finding new life in the war-torn country of the Democratic Republic of Congo in central Africa. The Crosiers arrived in the northern region in 1920, founded the Diocese of Bondo and eventually built the Crosier mission. In 1965, the most tragic, yet faith-filled moment in the history of the mission occurred when 23 Crosiers made the ultimate sacrifice during the country’s war for independence.

Thirty Congolese Crosier priests and two brothers are guiding 84 men through religious formation and theology studies. The Crosiers view this as new life resulting from the tragedy that took place more than 50 years ago. Members live in six communities between two separate regions. In Congo’s capital city of Kinshasa, seminarians continue their priesthood formation in theology. The Crosier community operates an orphanage offering hope to children who otherwise face a life of poverty and despair on the streets.

In the eastern part of Congo, the Crosiers operate a novitiate and a college. In 1988, they began a seminary program, now Holy Cross College. Open to all men and women, this accredited college offers bachelor’s and master’s degrees in philosophy or clinical psychology. Several women were among the first to enroll in the psychology program. Clinical psychology is of great need for people traumatized by sporadic warfare since 2008.

The Crosiers operate a crisis counseling center that serves about 1,000 people annually. The center helps with the most severe cases of displaced persons. In 2015, an agricultural-veterinary sciences program was added with plans to offer physics technology classes in the future.

The Crosiers also maintain a farm, operate a development center and lead two parishes that serve 60,000 people.

The Crosiers in Congo are almost completely dependent on others for support. The economy, political climate and war do not offer any real possibility for people to earn a viable living. Financial support is critical for the Crosiers to continue their work and to maintain housing, educational and medical needs of the men in formation, and the existing Crosier members. One of our greatest priorities is education for religious life and priesthood. The Crosiers want to prepare the next generation to be holy and capable guides for the Congolese people.

The Crosiers, officially known as the Canons Regular of the Order of the Holy Cross, are a worldwide religious order of consecrated men whose mission is to touch suffering with hope. They spend their lives in service and provide spiritual support to communities where they are needed most. There are two communities in the United States—one in Phoenix, Arizona, and the other in Onamia, Minnesota. Crosiers also live and serve in the Europe, Indonesia, the Democratic Republic of Congo, Brazil and Rome. www.crosier.org
