**ALPHA IS COMING…**

“One of the advantages of Alpha is that it focuses on the kerygma. In the ancient church there was a clear distinction between the kerygma and the Didaché, the catechesis. The kerygma was the starting point of faith, and the catechesis had to form the faith, but faith in itself blossoms only by hearing the kerygma.”

Father Raniero Cantalamessa, Preacher to the Papal Household

Coming again this Fall!
