FROM THE PASTOR’S DESK

During the month of November, the Church remembers even more than usual our deceased loved ones. During October, our parish prepares to do this remembering in an orderly fashion.

- On the evening of November 1st, the parish celebrates a special Mass of Remembrance for loved ones who died during this past year. One of our rituals involves the displaying of votive lights bearing the names of these loved ones. Families who wish to participate in this ritual should register for it by following the instructions in the cabinet along the southwest wall of the gathering space. There is a special form to complete so that the parish staff can prepare the votive light. During the Mass, the family brings this light forward to the deacon, and we position it on a stand near the St. Joseph picture in the sanctuary.

- Throughout November, the parish displays in front of the altar our Book of the Names of the Dead. This book visibly reminds the congregation to pray for all the persons whose names we have recorded in it. During October, this book will be available in the gathering space so that parishioners can record in it the names of deceased loved ones whose names aren’t already recorded there.

Please note that writing a person’s name in the Book of the Names of the Dead is not the same as registering for the votive candle for the Mass of Remembrance. The family of a recently-deceased loved one will probably want to do both: (1) write the person’s name in the Book of the Names of the Dead; and (2) register for a votive candle by filling out one of the forms available in the cabinet along the southwest wall of the gathering space.

Also, dear parishioners, some weeks ago, I reported that parish council is engaged in “visioning”: imagining our parish ten years down the road and determining what we should be doing now to prepare to become what we dream. Part of this process involves looking closely at our current situation, and council decided that taking a brief survey of the parish would help us do that. Completing the survey will be very easy: it is two pages long, and the respondent mostly has to select one of four or five choices. The easiest way to complete the survey will be online. The parish office will email parishioners the “link” which will enable them to access and complete the survey with a few mouse clicks. For those who do not use computers or who prefer using pen and paper, a copy of the survey will be included in an upcoming bulletin. I thank you in advance for participating in the survey and promise that parish council will share the results as soon as we have tabulated them.

Most Sincerely,
Monsignor John Johnson

Youth Ministry

Bestow | Numbers 11:25
Has anything ever been bestowed to you? Something given freely, without cost. Perhaps something given to you by a friend/ family member; a title or position; maybe a specific privilege. What is unique about bestowing is that it is given without catch, free for you to receive. An honor or a gift for you to use.

Sometimes, I think it can be easy to forget which gifts we have been bestowed with, or even take for granted those given to others. Yes?

We can find an example in today’s Gospel; John and the disciples are talking with Jesus, questioning why there is another man trying to do the work that they do, even though not one of the twelve.

To which Jesus responds: “Do not prevent him.” Do not prevent them from acting in My name. Do not prevent them from practicing the gifts I have given them. Do not prevent them from learning & speaking truth. “For whoever is not against us is for us.”

He speaks boldly, our Jesus. He calls us to recognize the ways in which we are preventing ourselves from following him and to detach ourselves from those acts and seek higher. And He is calling us to greater relationship with others, honoring and respecting the gifts and opportunities that He has given to them.

REPARATION PILGRIMAGE

Saint Joseph Cathedral leading October 6 Reparation Pilgrimage to the National Shrine and Basilica of Our Lady of Consolation in nearby Carey, Ohio: Given the sexual misconduct scandals in certain corners of the Church, the annual Cathedral pilgrimage to Our Lady of Consolation Shrine is focused this year on one of reparation, with a special Rosary and Mass of Reparation, along with the other devotions provided the Franciscan Friars at the Shrine. All clergy, religious and faithful are invited to participate in this collective act of reparation on October 6, with a Rosary beginning at approximately 10:30 a.m. and a Mass of Reparation at 11:00 a.m.; a number of Shrine devotions are also part of this pilgrimage.

To assist the Franciscan Friars in preparing for this special pilgrimage, an attendance count is requested. Thus, persons interested in participating in this reparation pilgrimage are requested to contact the Cathedral parish office by Monday, October 1, by calling (614) 224-1295, or email cathedral@stjosephcathedral.org. Our Lady of Consolation Shrine is generally a 90-minute drive from Columbus; for directions, please visit the Shrine web site at www.olcshrine.com; the Shrine and Basilica has a new elevator and is handicap accessible.
