FROM THE DESK OF FATHER DOOLEY

I would like to inform you of an important development here at Our Lady of Peace Church. It has come to my attention that our school gymnasium floor, after thorough inspection by Diocesan Building and Maintenance leadership, will need to be completely removed and replaced. As we evaluate our facilities, this project has become a high priority for our entire parish community because it involves the safety of our students who use the gym daily for class, practice, and competition in numerous organized sports, as well as teams from visiting schools. In the coming weeks, I will be forming an Ad Hoc Committee that will serve to establish a Project Development Committee (to formulate the scope, budget, timeline, etc.), and a Fund-raising Committee. I will be sure to keep you updated on this important need in our parish. Exciting things are happening here at Our Lady of Peace!

In Christ the Liberator,
Father Dooley
