FROM THE DESK OF FATHER DOOLEY

In today’s second reading from the Letter to the Hebrews, the author exhorts the people to remember what they have learned and not to “disdain the discipline of the Lord.” Furthermore, the author goes on to write: “endure your trials as ‘discipline.’” This may seem to be rather strange for us to understand in the modern mind. The image of a ‘wrathful’ or angry God may come across our imagination (see Sinners in the Hands of An Angry God by Jonathan Edwards, which damaged America’s attitudes toward God and Christianity).

However, the word “discipline” in its origin means training to ensure proper behavior. Discipline is clearly related to the word “disciple,” which means student. In order to be a student, one must be open to learning and attempt to apply material. This also applies to the life of a Christian. We are called not to be isolated or in a vacuum of our own defense. We may tell ourselves: “I don’t need to change this certain (perhaps unhealthy or dangerous) behavior.” “I know everything I need to know.” However, to put these attitudes aside as a Christian can become liberating for us. As Christ offered His life on the Cross, we sacrifice our own judgements and unhealthy attitudes. Every baptized individual is called to become a student of Jesus Christ.

Last year, I read the book entitled Hillbilly Elegy: A Memoir of a Family and Culture in Crisis by the author J.D. Vance (this book is slated to become a movie directed by Ron Howard). Vance discusses his childhood in Middletown, Ohio and the culture of the ‘foothills of Appalachia.’ He relates in his book the difficulties of his broken family, rampant drug abuse, and the sense of resignation/death that permeated the wider community.

Vance writes that as a student in school, he was unable to study or read. His house lacked any sense of discipline. The house was constantly busy with traffic from guests (drug dealers and boyfriends coming to see the author’s mother). Vance needed and wanted discipline and found it in the home of his grandparents. He would later graduate from Yale.

Recently, J.D. Vance converted to Catholicism. I want to share with you his thoughts on being a student and a new believer: “One of the things Hillbilly Elegy is about is a struggle to find stability in your own life, but also to become a good person when you didn’t have an easy upbringing. That means being a good husband and a good father, and being capable enough to provide for your family. One of the most attractive things about Catholicism is that the concept of grace is not couched in terms of epiphany. It’s not like you receive grace and suddenly you go from being a bad person to being a good person. You’re constantly being worked on. I like that.”

This is an interesting perspective on what it means to become a disciple of Jesus, a student of the life of grace. How can we become better students of Jesus Christ? Be open to learning more about the life of grace into which God is calling you. May we as individuals and as parish community learn to walk with our Lord and embrace the life of being mature Christian disciples.

See you in the neighborhood…….and yes, I was told I’m in the Beechwold neighborhood.

— Fr. Dooley
