- A person who is seriously sick – the sacrament may be repeated if the sick person recovers after being anointed and then again falls ill or if during the same illness the person’s condition becomes more serious.
- A sick person may be anointed before surgery whenever a serious illness is the reason for the surgery.
- Elderly people may be anointed if they have become notably weakened even though no serious illness is present.
- Sick children may be anointed if they have sufficient use of reason [are of Confession age] to be strengthened by the sacrament.

After the 4:00 p.m. and 11:30 a.m. Masses, our new Prayer Ministry teams will pray with anyone else wanting prayers (e.g., for addictions, minor illnesses, strength, faith, etc.). There will be two teams and they will be located at the baptistry and the Marian altar.
