60th Anniversary of Religious Profession of Sister Barbara Kolesar, O.P.

Our Lady of Peace Parish is honored to celebrate the Religious Profession of our own Sister Barbara Kolesar, O.P. We will be celebrating a Mass for this occasion on Thursday, July 9th at 12:00 Noon. The celebrant is Fr. Dooley with Sr. Barbara's brother, Msgr. John Kolesar, a priest of the Diocese of Steubenville as the homilist. Other celebrants include: Fr. Kevin Kavanagh, Fr. Daniel Ochs, and Msgr. John Johnson.

Due to COVID-19 restrictions, our space is limited in the Church to only 100 parishioners. If you wish to attend, please contact the Parish Office at (614) 263-8824 or dmahler@olp-parish.org.

We hope to honor Sr. Barbara with a bigger celebration outside (weather permitting) on Sunday, July 26th after the 9:30 a.m. Mass. Stay tuned for more details!

OLP PARISH SCHOOL UPDATE

Hello Our Lady of Peace Community!

We pray that all of you are staying safe and healthy during these unique and difficult days. Thank you to everyone for your continued prayers, support, and financial contributions.

We wanted to update the parish and school on the Msgr. Kenneth Grimes School Gymnasium Appeal. Due to circumstances beyond our control, the fundraising and construction timeline will be moving at a slower pace due to the Coronavirus. The Diocese of Columbus has also asked all parishes and schools with construction projects to have all money pledged and paid before the start of construction.

We are happy that our $100,000.00 matching contribution for the first $100,000.00 raised is still in effect for this urgent project. In the next few weeks, ambassadors from the school will be dropping off packets for this project. The packets will explain the scope of the project, which includes: a new HVAC system, removal of asbestos, and completely replacing the gym floor. the estimated goal for this important project is $450,000.00. Your generous support will help us reach our goal.

We look forward to providing a safe environment for our school students, visitors, and parishioners. Thank you for dedication to Our Lady of Peace Parish and School!

Under the protection of Our Lady of Peace,
Fr. Sean M. Dooley Mr. Jim Silcott
Pastor Principal

ST. VINCENT DE PAUL UPDATE:

During the shutdown, SVDP has continued to support St. Lawrence Haven, which has had an increase in people needing food. In addition to providing bottled water and paper products used to pack and distribute meals, we’ve made over 1,500 ham sandwiches!

We have helped two neighbors with rent and another with a new stove and anticipate an increase in requests once the moratoriums on evictions and utility shut offs are ended. If you know of someone who is in need of assistance, our phone number is 614-302-2517. All requests are confidential.

Thank you to all of you who have continued to support the community with prayers and donations. It’s been wonderful to see so many of you at Mass again and we look forward to resuming sandwich making with our awesome team of volunteers. We have a new appreciation for the expression “many hands make light work.”
THIRTEENTH SUNDAY IN ORDINARY TIME

THANK YOU!
Sister Barbara Kolesar and Sister Ruth Hamel would like to thank the Leaders of the Boy Scouts and all the Boy Scouts for all that they did to make the areas around the Convent look so beautiful. It was unbelievable how much work they did and now it looks wonderful again. We would also like to thank the Bott Family for all that they do to make our Patio look wonderful, too. May God bless all of you.

FROM THE ORGAN BENCH
To sing or not to sing is the question tossed around amongst not only Church musicians but also among Church and world leaders. At the beginning of the Covid 19 outbreak in Europe, a choir performed Bach’s “St. John’s Passion”. After that performance, many of the choir members became ill with the virus. Here in the United States, near Seattle, a choir held a rehearsal towards the end of February and in early March several choir members became ill and two died from the virus. These two events have led to lots of discussion about what is safe in terms of singing when we returned to Mass. Some dioceses in our country and the world, have issued directives that there is to be NO singing. Some bishops have gone so far as to tell organists to not play familiar hymns that would cause people to sing while at Mass. The directive from our diocese was “minimal singing” and it was suggested that each music director/pastor decide what is best for their own parish. After lots of reading, consulting with colleagues, both within the diocese and around the country, and deliberating with Fr. Dooley, a decision was made about what will happen when we returned to Mass. At Our Lady of Peace, we will not be singing hymns for the time being, but rather using the Antiphons given for each Mass and chanting the rest of the Mass parts. I feel that the use of antiphons, which are in fact ancient prayers of the Church, and chant style Mass parts are the right amount of music for now. It is my hope that as we learn more about the virus, we can add more congregational singing over time. The current opinion in the music world is that choirs won’t be singing together for 18-24 months. If you are missing having a hymnal and would like to follow the Mass, you may either use your phone and access the worship aid on either our parish web page or our Facebook page or you may print out a copy of the worship aid and bring it with you. In the meantime, let’s pray for an end to this pandemic and rejoice in finally being able to gather together for the Eucharistic celebration.

OUR LADY OF PEACE OFFICE PROCEDURE

MEMO

Our Lady of Peace Parish Office

Subject: Parish Office – Operational Reopening Plans, Rules and Restrictions Effective: June 1, 2020

Governor DeWine has begun the slow process of reopening some parts of the economy and society. He was very clear that this is not “an immediate return to normal” but is a slow opening with constant measuring of the effect, particularly the number of positive COVID-19 tests and the number of hospitalizations, to determine if we have proceeded more rapidly than we should have. We must also provide for the potential of a re-escalation of positive cases at some point.

Effective June 1, 2020

Rules & Restrictions

1. All employees who can maintain reasonable productivity are to continue to work from home. Supervisors are to make informed decisions on approving employees to work in the office based on work needs, and what employee group they fall under.

2. Social distancing is to be followed at all times. 6 feet is to be maintained between individuals at all times. For open seating areas, this may require a rearrangement of work areas.

3. Visitors will be allowed in the building by appointment only.

4. Enhanced cleaning will be performed Monday through Friday.
   a. All commonly touched surfaces (doors, doorknobs, etc.) will be disinfected.
   b. All trash receptacles will be emptied.
   c. It would assist the cleaning service if a sticky note could be placed on the door of any office that has been used that day. In this way they will know if keyboards and phones must be cleaned. They will remove the sticky note once the office is cleaned.
   d. Each employee is to sanitize their equipment before beginning work for the day and before they leave for the day.
   e. Tables used for small group meetings are to be sanitized by employees before and after use.

5. No children are to be brought into the building at any time. No pets are allowed in the building since it has been shown that dogs and cats can carry the virus.

6. Before coming into one of our buildings, all employees must complete a self-check to ensure they have none of the following list of symptoms: Fever of 100.4 or higher; Cough; Headache; Sore Throat; Shortness
of Breath; Fatigue; Loss of taste or smell; Unexplained body aches; or has had contact with anyone who has been diagnosed with COVID-19. Anyone exhibiting any of these symptoms should not report to work and contact their supervisor.

7. Masks/face coverings are to be worn in all open areas, including hallways, elevators and open seating areas. Masks may be removed in private offices provided only one employee is present. If an employee has a health situation that would prohibit wearing a mask/face covering, the employee is to discuss this with Fr. Dooley. The conclusion may be that the employee may not enter the building and must continue to work from home.

8. All meetings with external parties are to occur through phone, conference call or videoconference. If possible.

9. Each employee will be provided with necessary supplies, including masks, gloves, sanitizer.

10. Employees are to only use their own, assigned office equipment. This is particularly important with laptops, PC’s, keyboards, phones, pens, staplers, etc. For common printers and copiers, it is critical that each employee who uses a shared piece of equipment, sanitize the equipment and their hands immediately after using the equipment.

11. Employees are to sanitize their hands immediately upon entering the building. Hand sanitizer will be made available.

12. It is critical that employees continue the practice of consistent hand washing and sanitizing at any time where you may have touched any surface you do not have control over, especially in the restroom.

13. For any employee who has plans to travel outside the Diocese, they are to report this to their supervisor. A discussion will be held regarding the need for any quarantine before returning to work.

14. A common approach will be developed for the delivery of mail and packages. It will be critical that this includes as little interaction with the delivery individuals as possible. Gloves are to be worn when handling deliveries.

15. No meetings of employees are to be held with more than 10 employees in attendance in an area. The number is to be reduced to a lesser number in accordance with social distancing requirements. During employee meetings, all criteria for safe distancing and sanitation are to be observed. Please remember that at this time, no visitors are allowed in our buildings.

16. If work schedules include lunch time, all employees are to either eat at their desk or in their car. The cleaning service will empty wastebaskets each day to eliminate any issues. Employees are not to gather together for breaks or meals, even if social distancing can be observed as this would necessitate not following our mask policy.

Plan for COVID-19 Exposure

If we have a confirmed positive test for COVID-19 among our employees, the following protocol will be followed:

1. The building the employee works in will be closed.

2. Contact tracing will occur to determine whether the employee was in one of our buildings as well as who may have come in contact with the employee.

3. All employees of that building will be notified that a positive case has occurred.

4. The building and all possible points of contact will be disinfected at an increased level.

5. The building will be reopened once all the above has been completed.
