ST. VINCENT DE PAUL: Help for those who are suffering
During the shutdown, SVDP has continued to support St. Lawrence Haven, which has had an increase in people needing food. In addition to providing bottled water and paper products used to pack and distribute meals, we’ve made over 1500 ham sandwiches!

We have helped two neighbors with rent and another with a new stove and anticipate an increase in requests once the moratoriums on evictions and utility shut offs are ended. If you know of someone who is in need of assistance, our phone number is 614-302-2517. All requests are confidential.

Thank you to all of you who have continued to support the community with prayers and donations. It’s been wonderful to see so many of you at Mass again and we look forward to resuming sandwich making with our awesome team of volunteers. We have a new appreciation for the expression “many hands make light work.”

PRAYER LINE
If you have a petition for which you would like the Prayer Line to join in praying, please call Chris at 614-906-0129. Prayer requests are kept confidential.

OLP PARISH SCHOOL UPDATE
Hello Our Lady of Peace Community!
We pray that all of you are staying safe and healthy during these unique and difficult days. Thank you to everyone for your continued prayers, support, and financial contributions.

We wanted to update the parish and school on the Msgr. Kenneth Grimes School Gymnasium Appeal. Due to circumstances beyond our control, the fundraising and construction timeline will be moving at a slower pace due to the Coronavirus. The Diocese of Columbus has also asked all parishes and schools with construction projects to have all money pledged and paid before the start of construction.

We are happy that our $100,000 matching contribution for the first $100,000 raised is still in effect for this urgent project. In the next few weeks, ambassadors from the school will be dropping off packets for this project. The packets will explain the scope of the project, which includes: a new HVAC system, removal of asbestos, and completely replacing the gym floor. The estimated goal for this important project is $450,000. Your generous support will help us reach our goal.

We look forward to providing a safe environment for our school students, visitors, and parishioners. Thank you for dedication to Our Lady of Peace Parish and School!

Under the protection of Our Lady of Peace,
Fr. Sean M. Dooley  Mr. Jim Silcott
Pastor Principal  Principal

OUR LADY OF PEACE OFFICE PROCEDURE

MEMO

Our Lady of Peace Parish Office

Subject: Parish Office – Operational Reopening Plans, Rules and Restrictions Effective: June 1, 2020

Governor DeWine has begun the slow process of reopening some parts of the economy and society. He was very clear that this is not “an immediate return to normal” but is a slow opening with constant measuring of the effect, particularly the number of positive COVID-19 tests and the number of hospitalizations, to determine if we have proceeded more rapidly than we should have. We must also provide for the potential of a re-escalation of positive cases at some point.

Effective June 1, 2020

Rules & Restrictions

1. All employees who can maintain reasonable productivity are to continue to work from home. Supervisors are to make informed decisions on approving employees to work in the office based on work needs, and what employee group they fall under.

2. Social distancing is to be followed at all times. 6 feet is to be maintained between individuals at all times. For open seating areas, this may require a rearrangement of work areas.

3. Visitors will be allowed in the building by appointment only.

4. Enhanced cleaning will be performed Monday through Friday.
   a. All commonly touched surfaces (doors, doorknobs, etc.) will be disinfected.
   b. All trash receptacles will be emptied.
   c. It would assist the cleaning service if a sticky note could be placed on the door of any office that has been used that day. In this way they will know if keyboards and phones must be cleaned. They will remove the sticky note once the office is cleaned.
   d. Each employee is to sanitize their equipment before beginning work for the day and before they leave for the day.
   e. Tables used for small group meetings are to be sanitized by employees before and after use.

5. No children are to be brought into the building at any time. No pets are allowed in the building since it has been shown that dogs and cats can carry the virus.

6. Before coming into one of our buildings, all employees must complete a self-check to ensure they have none of the following list of symptoms: Fever of 100.4 or higher; Cough; Headache; Sore Throat; Shortness of Breath; Fatigue; Loss of taste or smell; Unexplained body aches; or has had contact with anyone who has been diagnosed with COVID-19. Anyone exhibiting any of these symptoms should not report to work and contact their supervisor.

7. Masks/face coverings are to be worn in all open areas, including hallways, elevators and open seating areas. Masks may be removed in private offices provided only one employee is present. If an employee has a health situation that would prohibit wearing a mask/face covering, the employee is to discuss this with Fr. Dooley. The conclusion may be that the employee may not enter the building and must continue to work from home.

8. All meetings with external parties are to occur through phone, conference call or videoconference. If possible.
9. Each employee will be provided with necessary supplies, including masks, gloves, sanitizer.

10. Employees are to only use their own, assigned office equipment. This is particularly important with laptops, PC’s, keyboards, phones, pens, staplers, etc. For common printers and copiers, it is critical that each employee who uses a shared piece of equipment, sanitize the equipment and their hands immediately after using the equipment.

11. Employees are to sanitize their hands immediately upon entering the building. Hand sanitizer will be made available.

12. It is critical that employees continue the practice of consistent hand washing and sanitizing at any time where you may have touched any surface you do not have control over, especially in the restroom.

13. For any employee who has plans to travel outside the Diocese, they are to report this to their supervisor. A discussion will be held regarding the need for any quarantine before returning to work.

14. A common approach will be developed for the delivery of mail and packages. It will be critical that this includes as little interaction with the delivery individuals as possible. Gloves are to be worn when handling deliveries.

15. No meetings of employees are to be held with more than 10 employees in attendance in an area. The number is to be reduced to a lesser number in accordance with social distancing requirements. During employee meetings, all criteria for safe distancing and sanitation are to be observed. Please remember that at this time, no visitors are allowed in our buildings.

16. If work schedules include lunch time, all employees are to either eat at their desk or in their car. The cleaning service will empty wastebaskets each day to eliminate any issues. Employees are not to gather together for breaks or meals, even if social distancing can be observed as this would necessitate not following our mask policy.

Plan for COVID-19 Exposure

If we have a confirmed positive test for COVID-19 among our employees, the following protocol will be followed:

1. The building the employee works in will be closed.
2. Contact tracing will occur to determine whether the employee was in one of our buildings as well as who may have come in contact with the employee.
3. All employees of that building will be notified that a positive case has occurred.
4. The building and all possible points of contact will be disinfected at an increased level.
5. The building will be reopened once all the above has been completed.

OUR LADY OF PEACE, PRAY FOR US!
