WE THANK THE CATHOLIC FOUNDATION!

We are pleased to announce that we recently received a grant from the Catholic Foundation. Our Lady of Peace Parish and School was awarded $15,000.00 Security and Phone Grant. This has helped the parish and school to purchase a new phone system, increase our wireless internet capabilities, and also to have a unified phone system for the whole campus. It has also opened up the potential to expand our security with FOBS, security cameras, and IT based locking systems.

Thanks again to the Catholic Foundation for helping to make our campus safe for the 21st century.

BISHOP’S ANNUAL APPEAL

“Living the Joy of the Gospel,” the theme of the Bishop’s Annual Appeal, inspires us, as people of faith, to share joyfully the Good News of Christ to those who most need to feel His love. Works of kindness and assistance, sometimes in the smallest way, can bring about a profound change in a person’s life. Through the Bishop’s Annual Appeal, we have an opportunity to bring about a positive change in the lives of many of God’s people. Through your generosity, you are supporting the various ministries and programs that are vital in spreading His love. The weekend of July 11-12 was Commitment Weekend for the Appeal. You can make your gift or pledge now. Our parish has been asked to raise $79,153.25. We can accomplish this if, after prayerful consideration, everyone gives what they can. Any amount raised over our goal will be returned to our parish to be used for our particular needs. Thank you!

OUR LADY OF PEACE OFFICE PROCEDURE

MEMO
Our Lady of Peace Parish Office
Subject: Parish Office – Operational Reopening Plans, Rules and Restrictions, Effective: June 1, 2020
Governor DeWine has begun the slow process of reopening some parts of the economy and society. He was very clear that this is not “an immediate return to normal” but is a slow opening with constant measuring of the effect, particularly the number of positive COVID-19 tests and the number of hospitalizations, to determine if we have proceeded more rapidly than we should have. We must also provide for the potential of a re-escalation of positive cases at some point.

Effective June 1, 2020
Rules & Restrictions
1. All employees who can maintain reasonable productivity are to continue to work from home. Supervisors are to make informed decisions on approving employees to work in the office based on work needs, and what employee group they fall under.

2. Social distancing is to be followed at all times. 6 feet is to be maintained between individuals at all times. For open seating areas, this may require a rearrangement of work areas.

3. Visitors will be allowed in the building by appointment only.

4. Enhanced cleaning will be performed Monday through Friday.
   a. All commonly touched surfaces (doors, doorknobs, etc.) will be disinfected.
   b. All trash receptacles will be emptied.
   c. It would assist the cleaning service if a sticky note could be placed on the door of any office that has been used that day. In this way, they will know if keyboards and phones must be cleaned. They will remove the sticky note once the office is cleaned.
d. Each employee is to sanitize their equipment before beginning work for the day and before they leave for the day.
e. Tables used for small group meetings are to be sanitized by employees before and after use.

5. No children are to be brought into the building at any time. No pets are allowed in the building since it has been shown that dogs and cats can carry the virus.

6. Before coming into one of our buildings, all employees must complete a self-check to ensure they have none of the following list of symptoms: Fever of 100.4 or higher; Cough; Headache; Sore Throat; Shortness of Breath; Fatigue; Loss of taste or smell; Unexplained body aches; or has had contact with anyone who has been diagnosed with COVID-19. Anyone exhibiting any of these symptoms should not report to work and should contact their supervisor.

7. Masks/face coverings are to be worn in all open areas, including hallways, elevators and open seating areas. Masks may be removed in private offices provided only one employee is present. If an employee has a health situation that would prohibit wearing a mask/face covering, the employee is to discuss this with Fr. Dooley. The conclusion may be that the employee may not enter the building and must continue to work from home.

8. All meetings with external parties are to occur through phone, conference call or videoconference if possible.

9. Each employee will be provided with necessary supplies, including masks, gloves, sanitizer.

10. Employees are to only use their own, assigned office equipment. This is particularly important with laptops, PCs, keyboards, phones, pens, staplers, etc. For common printers and copiers, it is critical that each employee who uses a shared piece of equipment, sanitize the equipment and their hands immediately after using the equipment.

11. Employees are to sanitize their hands immediately upon entering the building. Hand sanitizer will be made available.

12. It is critical that employees continue the practice of consistent hand washing and sanitizing at any time where you may have touched any surface you do not have control over, especially in the restroom.

13. For any employee who has plans to travel outside the Diocese, they are to report this to their supervisor. A discussion will be held regarding the need for any quarantine before returning to work.

14. A common approach will be developed for the delivery of mail and packages. It will be critical that this includes as little interaction with the delivery individuals as possible. Gloves are to be worn when handling deliveries.

15. No meetings of employees are to be held with more than 10 employees in attendance in an area. The number is to be reduced to a lesser number in accordance with social distancing requirements. During employee meetings, all criteria for safe distancing and sanitation are to be observed. Please remember that at this time, no visitors are allowed in our buildings.

16. If work schedules include lunch time, all employees are to either eat at their desk or in their car. The cleaning service will empty wastebaskets each day to eliminate any issues. Employees are not to gather together for breaks or meals, even if social distancing can be observed, as this would necessitate not following our mask policy.

---

**Plan for COVID-19 Exposure**
If we have a confirmed positive test for COVID-19 among our employees, the following protocol will be followed:

1. The building the employee works in will be closed.

2. Contact tracing will occur to determine whether the employee was in one of our buildings, as well as who may have come in contact with the employee.

3. All employees of that building will be notified that a positive case has occurred.

4. The building and all possible points of contact will be disinfected at an increased level.

5. The building will be reopened once all the above has been completed.

---

OUR LADY OF PEACE,
PRAY FOR US!
