PSR REGISTRATION FOR THE 2020-2021 SCHOOL YEAR BEGINS NOW!
The Our Lady of Peace Parish School of Religion is a religious education program for children in preschool through Grade 8, which is offered to parish children who attend public school or private schools that are not Catholic. This year, Virtual PSR begins for all children in Grades 1-8 on Sunday, September 20th. Registration forms are now being accepted and can be found on our parish Web site. Completed forms with payment should be returned to the parish office, ATTN: PSR.

Because of our current health crisis and under the guidance of the Diocese, we have made the decision to conduct our classes remotely and have also had to cancel our Preschool/Kindergarten class that meets during our 9:30 a.m. Sunday Mass.

We thank you for your support of our Program and ask you to pray for our children as they continue their faith journey under the loving guidance of their families and teachers.

WOMEN’S SCRIPTURE STUDY
Coming to OLP this fall - MARY, A Biblical Walk with the Blessed Mother
Join us on Wednesday evenings, starting September 23rd, for a nine-week virtual faith sharing experience as we live the gospel through the eyes of Mary.

In this Bible Study, you will experience an extraordinary pilgrimage through Mary’s life and see why she is an essential part of our faith. Guided by Dr. Edward Sri, you will journey through the biblical narrative of Mary’s life and visit the places where key events in salvation history occurred. You will be introduced to the Blessed Mother on a personal level and see how Scripture, history, and Jewish culture reveal the sorrows, anxieties, and joys Mary would have felt in her heart.

All women are welcome!

There will be an informational Zoom meeting at 7:00 p.m. on September 2, 2020.
If interested in finding out more about the program and to get an invite to the Zoom meeting, contact Debbie Mahler or Teresa George.

FROM THE ORGAN BENCH
Thank you to all of you who tuned into our virtual hymn sing. Not being able to sing at Mass has been difficult for all of us parish musicians. Adam Fehrenbach, the Director of Music and Liturgy for Holy Spirit, and I have decided that since there was such a positive response to the hymn sing, we are going to put together a virtual Lessons and Carols for Advent. Stay tuned.

BISHOP’S ANNUAL APPEAL

“Living the Joy of the Gospel,” the theme of the Bishop’s Annual Appeal, inspires us, as people of faith, to share joyfully the Good News of Christ to those who most need to feel His love. Works of kindness and assistance, sometimes in the smallest way, can bring about a profound change in a person’s life. Through the Bishop’s Annual Appeal, we have an opportunity to bring about a positive change in the lives of many of God’s people. Through your generosity, you are supporting the various ministries and programs that are vital in spreading His love. You can make your gift or pledge now. Our parish has been asked to raise $79,153.25. We can accomplish this if, after prayerful consideration, everyone gives what they can. Any amount raised over our goal will be returned to our parish to be used for our particular needs. Thank you!

SCOUTS ARE HELPING OLP CHURCH AND SCHOOL!

Hello,

My name is Cole Hankinson. You may recognize me from my service as an altar server and lector at Sunday Mass. I am a Senior at St. Charles and a Life Scout in Troop 169 and I am working toward the rank of Eagle Scout. I must complete a service project to advance and I have chosen to help my grade school and faith community here at OLP. I will lead a remodel of the math and after school program (SACC) room at OLP School. I need your help to update the room, do cosmetic repairs, add some teaching aids and to put on a fresh coat of paint. Any money you can donate will go directly to the project and will help OLP kids and teachers. Any money above the cost of the project goes directly to OLP School for their use. Help me make OLP even better! Thank You and God Bless!

– Cole Hankinson, OLP Class of 2017

Hello,

My name is Stuart Hankinson. I am a Life Scout, I graduated from OLP this Spring and I will attend St. Charles this Fall. OLP is important to me…I have served as Student Council President, Safety Patrol Captain and as an altar server and have completed many service projects at OLP School and Church. I have been so active in our community because of Scouting and now I am approaching the rank of Eagle Scout.

I must complete a service project that significantly affects my community. I have chosen a project that helps our church and school by saving lives. With your help, I will place life-saving equipment to be used in the case of a catastrophic event (i.e. natural disaster) to save lives by minimizing blood loss. Like an AED, “Stop the Bleed” kits will help until first responders arrive. Now, more than ever, we need to make sure that our community is as safe as possible. Thank you for any help you can offer!!

– Stuart Hankinson, OLP Class of 2020

Thank You For Your Help!

If you are interested in helping, your donation can be made out to BSA Troop 169 and sent to Our Lady of Peace Church, Attn: Angie Lee, Bookkeeper, with a memo: Cole/Stuart Hankinson Eagle Project.
OUR LADY OF PEACE OFFICE PROCEDURE

MEMO
Our Lady of Peace Parish Office
Subject: Parish Office – Operational Reopening Plans, Rules and Restrictions, Effective: June 1, 2020

Governor DeWine has begun the slow process of reopening some parts of the economy and society. He was very clear that this is not “an immediate return to normal” but is a slow opening with constant measuring of the effect, particularly the number of positive COVID-19 tests and the number of hospitalizations, to determine if we have proceeded more rapidly than we should have. We must also provide for the potential of a re-escalation of positive cases at some point.

Effective June 1, 2020

Rules & Restrictions

1. All employees who can maintain reasonable productivity are to continue to work from home. Supervisors are to make informed decisions on approving employees to work in the office based on work needs, and what employee group they fall under.

2. Social distancing is to be followed at all times. 6 feet is to be maintained between individuals at all times. For open seating areas, this may require a rearrangement of work areas.

3. Visitors will be allowed in the building by appointment only.

4. Enhanced cleaning will be performed Monday through Friday.
   a. All commonly touched surfaces (doors, doorknobs, etc.) will be disinfected.
   b. All trash receptacles will be emptied.
   c. It would assist the cleaning service if a sticky note could be placed on the door of any office that has been used that day. In this way, they will know if keyboards and phones must be cleaned. They will remove the sticky note once the office is cleaned.
   d. Each employee is to sanitize their equipment before beginning work for the day and before they leave for the day.
   e. Tables used for small group meetings are to be sanitized by employees before and after use.

5. No children are to be brought into the building at any time. No pets are allowed in the building since it has been shown that dogs and cats can carry the virus.

6. Before coming into one of our buildings, all employees must complete a self-check to ensure they have none of the following list of symptoms: Fever of 100.4 or higher; Cough; Headache; Sore Throat; Shortness of Breath; Fatigue; Loss of taste or smell; Unexplained body aches; or has had contact with anyone who has been diagnosed with COVID-19. Anyone exhibiting any of these symptoms should not report to work and should contact their supervisor.

7. Masks/face coverings are to be worn in all open areas, including hallways, elevators and open seating areas. Masks may be removed in private offices provided only one employee is present. If an employee has a health situation that would prohibit wearing a mask/face covering, the employee is to discuss this with Fr. Dooley. The conclusion may be that the employee may not enter the building and must continue to work from home.
8. All meetings with external parties are to occur through phone, conference call or videoconference if possible.

9. Each employee will be provided with necessary supplies, including masks, gloves, sanitizer.

10. Employees are to only use their own, assigned office equipment. This is particularly important with laptops, PCs, keyboards, phones, pens, staplers, etc. For common printers and copiers, it is critical that each employee who uses a shared piece of equipment, sanitize the equipment and their hands immediately after using the equipment.

11. Employees are to sanitize their hands immediately upon entering the building. Hand sanitizer will be made available.

12. It is critical that employees continue the practice of consistent hand washing and sanitizing at any time where you may have touched any surface you do not have control over, especially in the restroom.

13. For any employee who has plans to travel outside the Diocese, they are to report this to their supervisor. A discussion will be held regarding the need for any quarantine before returning to work.

14. A common approach will be developed for the delivery of mail and packages. It will be critical that this includes as little interaction with the delivery individuals as possible. Gloves are to be worn when handling deliveries.

15. No meetings of employees are to be held with more than 10 employees in attendance in an area. The number is to be reduced to a lesser number in accordance with social distancing requirements. During employee meetings, all criteria for safe distancing and sanitation are to be observed. Please remember that at this time, no visitors are allowed in our buildings.

16. If work schedules include lunch time, all employees are to either eat at their desk or in their car. The cleaning service will empty wastebaskets each day to eliminate any issues. Employees are not to gather together for breaks or meals, even if social distancing can be observed, as this would necessitate not following our mask policy.

Plan for COVID-19 Exposure
If we have a confirmed positive test for COVID-19 among our employees, the following protocol will be followed:

1. The building the employee works in will be closed.
2. Contact tracing will occur to determine whether the employee was in one of our buildings, as well as who may have come in contact with the employee.
3. All employees of that building will be notified that a positive case has occurred.
4. The building and all possible points of contact will be disinfected at an increased level.
5. The building will be reopened once all the above has been completed.
