

Pew Memorial Form

As you know we are acquiring the pews from St. Francis Residential in Denville. They will be installed in October. Since the pews will be removed, we will install a new floor since it is worn and splitting. This all takes money. We have funds to start the project from the Memorial Fund but need to raise additional funds. Any extra funds will be used to fix the ramp.

Memorials will be \$700 for a pew on which a plaque will be inscribed with your memorial. You can donate to the general fund if you cannot afford a pew. Also the old pews will be available for those who would like one. Just call the rectory.

Thank your participation in this pew drive, God bless you!

Name of purchaser: _____

Address: _____
