**Scripture Readings  
 November 10, 2019  
 32<sup>nd</sup> Sunday in Ordinary Time**

**First Reading: 2 Maccabees 7:1-2, 9-14**

A king tortured a Jewish family, and tried to make them violate the laws. They all refused to give in and violate the laws. All of the family members told the king they would rather die at his hands than surrender their hope of being resurrected by God.

**Second Reading: 2 Thessalonians 2:16-3:5**

Paul prays that the Thessalonians will be strengthened by God. He also asks them to pray that God's word will continue to spread, despite the persecution of Christians that was occurring at that time.

**Gospel: Luke 20:27-38**

Jesus encountered some Sadducees who did not believe in resurrection. Jesus refuted them by quoting Moses, who called the Lord the God of Abraham, Isaac and Jacob. Jesus then said. "God is not the God of the dead but of the living. All are alive for him."

**Sacrament of the Anointing of the Sick**

Next weekend, we will celebrate the Sacrament of the Anointing of the Sick at each of the Masses. It is one of the Sacraments of Healing, along with Reconciliation. The Church has moved away from an understanding of the sacrament which associates it only with the moment of death (i.e., "Last Rites"). We have recovered the tradition of the sacrament; specifically, that anointing is intended for those who are seriously ill; physically, emotionally, and spiritually, and not only for emergency situations. The Eucharist, as Viaticum, or "food for the journey," is the celebration for those who are close to the moment of death.

Each Sacrament has effects. The effects of the Sacrament of the Anointing of the Sick bring about the care, comfort, and wholeness of God offered to us in times of illness. The experience of God's care is brought to us through the sacramental signs of **imposition of hands, anointing with the oil of the sick, and prayers over the sick person.** The celebration of this sacrament should be celebrated communally, whether within the Eucharist or at home or health care facility. As a result of the communal aspect, its effect is not just on the anointed, but on all who participate in it. The presence and prayer of the community is a sign of the Lord's own great concern for the bodily and spiritual welfare of the sick. The communal celebration of the Anointing of the Sick makes visible the reality of the Church: we are a community of mutual healing and support. The sick persons, by their witness, make visible the mystery of Christ's suffering.

Who may be anointed? The sacrament is for baptized Catholics who are seriously ill, specifically those who begin to be in danger due to sickness or old age. It is also for those who will be going into the hospital for surgery. In fact, the appropriate time to be anointed is at the beginning of a serious illness and/or before one enters the hospital for surgery. People may be anointed again if they fall into a more serious crisis during the same illness or if, after recovery, they develop a serious illness again. People may be anointed if they experience emotional or spiritual unrest as well.

Please do not hesitate to request this sacrament at any time if the need warrants. The Church is present to bring sacramental healing to those in need. Consider celebrating this sacrament next weekend.
