ST. JUDE ALTAR SOCIETY: Our Lady of Good Counsel Altar Society will meet on Monday, February 12, 2018 at 6:30pm in the Parish Hall meeting room. All ladies of the parish are welcome.

LENTEN MISSION: Lent is a time of quiet, abstinence, fasting and maybe a dash of suffering. All of this is meant to help us remember that we were meant for more, this world is not what it is supposed to be, and Easter is the only thing that makes it right. As a culture we often hear the word “self-care” and think of how it means escaping into something blissful and relaxing in order to not think about the suffering of our day. True self-care, especially during Lent, is more than indulging and momentary peace. It is experiencing longing and suffering and changing ourselves for the better because of them. “Lenten Self-Care: It’s Not What You Think” is a talk about how you and your family can lean into Lent and discover the ways in which Christ is calling you to the greatest version of yourself through a small amount of suffering.

- Christ the King - Tuesday, February 20th

FASTING AND ABSTINENCE

Ash Wednesday and Good Friday are obligatory days of fasting and abstinence for Catholics. In addition, Fridays during Lent are obligatory days of abstinence. The norms on fasting are obligatory from age 18 until age 59.

When fasting, a person is permitted to eat one full meal, as well as two smaller meals that together are not equal to a full meal. The norms concerning abstinence from meat are binding upon members of the Catholic Church from age 14 onwards.

**FAMILY FAITH SHARING**

A common experience of human illness - no matter how serious - is isolation. A simple cold or the flu can cut us off from other people. A common experience of healing comes when the human touch of another shatters our isolation: the touch of professional healers or the embrace of friends.

Mark's Gospel knows this human experience. In today's story, Mark shows Jesus reaching across a huge cultural barrier to touch and heal a leper. For Mark, this story is one of many that identify the mission of Jesus as a struggle against evil, manifested partly in human sickness and suffering. Sickness doesn't mean the sick person has necessarily sinned - rather illness is part of the evil that Jesus is battling.

The story of the healing of the leper is full of emotion. We sense God's power at work. The man is invited to re-connect with the community, signaling the end of his isolation through a ritual visit to the priests. The power at work in Jesus cannot be kept secret. Word spreads far and wide.

How have you or I become isolated from the community of believers? How is Jesus calling us to re-connect? At Sunday Eucharist we're invited to lay aside our isolation, and to witness to one another what Christ has done for us. -Franciscan Media
