

## BUILDING COMMITTEE FOR THE PARISH HALL RENOVATION PROJECT

The St. Jude Thaddeus Catholic Church Building Committee for the Parish Hall Renovation Project met on January 18, 2017, at 7:00 pm in the Severius Blank Education Building. Those present were Greg Leonard, Janell Dolan, Linda Gibson and Father Khoi Tran.

The scope of works for the parish hall renovation project was reviewed. Father Khoi commented that due to the numerous projects in the Diocese, we might need to be prepared to take 50K from our General Savings account and put it into our renovation project. This would give us approximately \$190,000 cash on hand and allow us to borrow a lesser amount. The Diocese appears to want parishes with construction projects to have more cash on hand than originally indicated. However, Father Khoi will try to convince the Diocese to borrow the rest of the money without using our General Savings. At least, he will have an option. The Building Committee approved this recommendation which will be sent to the Finance Committee for its approval.

A meeting with Kevin Darnell will take place on February 3, 2017, and Father Khoi will meet with the Diocese on February 16, 2017.
