FR. MAX'S CORNER

The old pastor made it a practice to visit the parish school one day a week. He walked into the 4th grade class, where the children were studying the states, and asked them how many states they could name. They came up with about 40 names. He jokingly told them that in his day students knew the names of all the states. One lad raised his hand and said, “Yes, but in those days, there were only 13.”

When a prisoner escaped, the Nazi guards selected 10 people to be starved to death in punishment, Kolbe volunteered to die in place of a stranger. He was later canonized a martyr.

ST. JOHN MARY VIANNEY, PRIEST – **Feast day Sunday, August 4** – Born in 1786 at Lyons, France, John was ordained a priest in 1815 after much difficulty in studies, due to the intercession of a priest and the decision that “his goodness was sufficient to offset his deficiencies in learning.” John set for himself the task of waging war on religious indifference, immorality and frivolity, and eventually he reformed the entire village. Word of his goodness and his gift of insight into the minds and souls of people led to many seeking him for confession and spiritual direction. His life belonged to these people who entrusted their souls to him. He had little time for a private life and longed often for a life of solitude. After the death of the Abbe Balley, who had interceded for him, John Vianney was appointed cure of Ars (1817), where he remained until his death in 1859.

ST. DOMINIC, PRIEST – **Feast day Thursday, August 8** – Dominic is popularly known as a great preacher and the founder of the Dominicans. From childhood Dominic showed signs of a vocation, which was encouraged. He also gave evidence of a great concern for the poor. During a time of hunger, he sold his books and precious items to feed the poor. Like St. Francis of Assisi he saw poverty in practice as a remedy for many of the ills that afflicted the Church in the late 12th and early 13th centuries. Not only was Dominic a capable and inspiring preacher, but his life was exemplary. Holiness of life was a weapon against error as well as his preaching. Dominic’s ideal was to combine prayer and asceticism with study and the ministry of preaching. His last years were spent organizing his followers into a community, the Order of Preachers.
