

**ST. THERESE OF LISIEUX PARISH
HEALTH SAFETY PROCEDURES**

C.C.D. 2020

(Coordinators/Leaders/Catechists, students/adult attendees)

*“Let nothing disturb you, let nothing frighten you, all things are passing away:
God never changes. Patience obtains all things.
Whoever has God lacks nothing; God alone suffices.”*

St. Teresa of Avila

We recognize that students, families and teachers all wish a return to our Fall Routines “the old-fashioned way.” If only that were possible; in its stead, we have been working to establish procedures that will mitigate as much risk as we possibly can. That being said, we are implementing the following morning check-in procedures:

Families are asked to keep students at home if they answer YES to any of the following question or have multiple symptoms associated with COVID-19:

- a. Have you been in close contact with a confirmed case of COVID-19?
- b. Are you experiencing a cough, shortness of breath or a sore throat?
- c. Have you had a fever (100.4 or higher) in the last 48 hours?
- d. Have you had new loss of taste or smell?
- e. Have you had vomiting or diarrhea in the last 24 hours?

Symptoms:

| | | | |
|----------|----------------------|------------------------------|-------------|
| Cough | Difficulty breathing | Repeated shaking with chills | Headache |
| Chills | Muscle pain | New loss of taste or smell | Sore throat |
| Diarrhea | Abdominal pain | Malaise | Fatigue |
| Rash | | | |

Until further notice frees us to do otherwise, coordinators/leaders/catechists, students and families and friends will **wear a mask that covers mouth and nose when entering/exiting the building**. The check-in station will be positioned in the PLC lobby.

Only one adult is encouraged to **attend the orientation with the student** on the **first school day**. Meeting will be brief. Avoid unnecessary extended stay. For other questions, please call the class catechist. Late registrants will have to join the second batch of orientation. Waiting area for them will be at the gym.

Class hours and special instructions:

Before class: PLC doors will be opened by **10: 20** (classes start at **10:45**)

Entry point is **PLC lobby front doors**

Exit point is through the **PLC service doors** (near Breen Hall)

After Class: PLC doors will be opened by **11: 40**

Entry point is **PLC lobby front doors**

Exit points are **PLC lobby side doors** and **PLC service doors**

Other steps taken/to be observed in the school premises:

- Conduct temperature-check
- Wash/clean hands before/after class and after toilet use
- Maintain distance from one another in the school premises
- Main facilities/supplies to be disinfected before and after each class

*While our Parish is trying its best to keep each one safe,
we need your utmost cooperation. Thank you!*
