

Name: _____

Sin

With the help of your textbook, fill in these blanks.

God gave you the power to choose to love Him. You can choose to do what you know is right or what you know is wrong. When you do wrong, it isn't because you "have to." No one makes you do it. Only you can choose. At times it is hard to be good, but that is when you can show God that you really love Him.

If we do something bad on purpose, we commit a sin. We do not love God when we sin. With each sin we turn away from God. It is not a sin if we forget to do something. But if we are tempted to do something wrong, and we think, "Yes I will do it, even though I know it's wrong," then we commit a sin, and turn away from God.
