SOLEMNITY OF THE MOST HOLY TRINITY

The word mercy, Pope Francis declared in his announcement of the Jubilee Year of Mercy, "reveals the very mystery of the Most Holy Trinity" (Misericordiae Vultus, 2). For mercy is how God comes to meet us; mercy is the fundamental law helping us recognize everyone as brothers and sisters; mercy is the bridge connecting God and humanity, opening our hearts to the hope of being loved forever despite our sinfulness. God's self-revelation as a life-giving, love-sharing Trinity of Persons draws us closer to God in friendship and communion. Both Judaism and Islam consider mercy one of God's most important attributes. Israel unceasingly proclaims God boundless in mercy. Islam addresses the Creator as "Merciful and Kind," believing divine mercy limitless, its doors always open. May this Jubilee Year of Mercy, Pope Francis prays, open us to more fervent dialogue, deepen our mutual understanding, eliminate all closed-minded disrespect, and drive out every form of violence and discrimination. *Peter Scagnelli, Copyright © J.
