Admission to Hospital: Anyone being admitted to hospital should contact their local priest to receive the Sacrament of the Sick before admission. Every hospital has a system for contacting the R.C. Chaplain urgently in emergencies when the patient or family ask the nursing staff to summon the Catholic Chaplain. The same system may also be used to request a non-urgent pastoral visit from a priest. Because of data protection the Catholic Chaplain will not know you are in hospital unless you ask for him. We have discrete patient declaration of religious cards available for you to have at your bedside letting staff know you are Catholic and want pastoral care. Just ask the priest.
