SICK LIST

I am happy to announce that we have clarification from GDPR regarding prayers for those who are sick. It reads as follows:

Post GDPR legislation the policy of Paisley diocese, which has been agreed in consultation with the Information Commissioner's Office (ICO), is to continue with our Sick Lists as usual, either in terms of whether we include names in our Sunday Masses intercessions or print them in our parish bulletins. Our expert opinion is that we do not need to go down the road of 'consent' as the lawful basis for our personal data processing. Indeed the *Catholic Insurance Service* cautioned us against using consent as such a basis. Instead we have opted to depend on another foundational principle of GDPR legislation, namely 'lawful basis for processing'. In these terms parishes have a 'legitimate interest' as churches and faith communities in publishing the names of their sick members and their loved ones so that prayers can be offered for them. This policy is supported by our diocesan Privacy Policy, which states what we use the data for and how we will protect it. All of this assumes our custom of taking whatever reasonable steps, as practice and circumstances allow, to seek the permission of the sick, advising them that their names will be read out and published for the purpose of prayers. Such permission, as per above, does not need to be in written form to be assumed.

IN REMEMBRANCE

At every Mass, we pray for our deceased relatives and friends but, in keeping with Catholic tradition, November is a month specifically dedicated to praying for the Holy Souls. On or near the Feast of All Souls, a special *Mass of Remembrance* is celebrated in our parish for all our deceased loved ones. As a Parish community, we now hope to commemorate our deceased parishioners in two very special and everlasting ways:

Firstly, we think it fitting to establish a dedicated *Altar of Remembrance* on which a *Parish Memorial Book* will be placed as a perpetual reminder of all our deceased parishioners.

Secondly, we also wish to provide families and friends of our deceased parishioners - and benefactors - the option to dedicate individual/family *Memorial Plaques* which will be permanently mounted on the walls around this Altar.

A "*Memorial Plaque*" brochure, available after Mass in the sacristy, contains more details of these plans. We hope you share our view that these plans provide a befitting memorial to our deceased loved ones and that you will support our endeavours.

CMAS—Did you know one-in-seven adults living in parishes across the Diocese of Paisley are at least three months behind with bills or feel their debts are a heavy burden? That rises to over one-in-six in Inverclyde and Renfrewshire. Community Money Advice Scotland (CMAS) is a Christian charity supporting churches to run their own advice centres tackling this problem. Local volunteers are trained to provide free face-to-face advice for anyone struggling financially with rising rents, unpaid bills or benefit sanctions. We recognise you are now considering how best to renew the Diocese's local vision through "Making All Things New", reaffirming that the Church exists to "make Christ present in our world...by the love and concern that we have for each other, and for the poor and the marginalised". We would be grateful for your help encouraging parishioners to consider becoming more involved in offering debt advice locally as part of this Gospel work. Please share this invitation with any interested parishioners for them to hear more at our "Debt in the Diocese" discussion on Saturday 16 June at St Mary's Hall in Greenock, beginning at 11am. This could offer an excellent opportunity for even a small number of trained volunteers to develop their own skills providing a crucial local service, while growing awareness of a welcoming Church for those struggling on the margins. You are very welcome to attend. (Stephen Curran, Operations Support Manager for CMAS)

The Angelus prayer group has been established in Honour of The Feast of Mary, Mother of the Church. The new feast day, which will be celebrated annually the day after Pentecost. Pope Francis approved the celebration because he thought it might "encourage the growth of the maternal sense of the church in the pastors, religious and faithful, as well as a growth of genuine Marian piety. The Angelus group is open to the public, we pray each day at 12 noon - it can be accessed via Facebook <https://www.facebook.com/groups/215813205685547/> All are welcome to join

Lourdes Hospitalité - The pre pilgrimage meeting will take place on **17th June at 2pm** in St Ninian's hall, Gourrock.
