## Recruitment for MINISTRY

The growth of the early Church was due to the fact that its members formed a strong bond in community working together for the common good of all its members. Outsiders looked on with admiration and commended them for their solidarity and care for all its members. No member was overlooked or went without anything they needed. The wealthy sold what they had and shared everything equally within the group. The example they set became the model for others to emulate. By remaining faithful to the teachings of the Apostles and the Gospel many more people in large numbers embraced the new religion and way of life. Following the example of the early Church, we want to reach out to others in this new age of evangelisation by the witness of our faith into action as a community fully engaged and inclusive, where all members take a full, active and conscious role through ministry working for the common good in a concerted effort to build a strong and vibrant community. Today you have the opportunity to contribute to this success story by choosing to get involved in one or more of the following ministries. Please tick the appropriate box(es) and return your completed form to the Parish Priest – *Resident at St. Peter's*.
