Silent Auction Basket Ideas

Please feel free to come up with your own Silent Auction Basket Ideas... but if you need some help or want to do something different, below is a list of some ideas. You do not need to put all of the listed items in each basket and if you want OLPH to wrap your basket or add to your basket with other donations that are in the same theme, simply provide it unwrapped and we will take care of it.

Also... it's not required to be an actual basket. Please feel free to get creative on your container. Other ideas that may work with your themed basket include ice bucket, picnic basket, hat box, lunch box, cooler, plant/flower box, sewing basket, Easter basket, etc.
