

This *Journal for the Journey*, is designed *as a support* to help you further engage your children about God's presence in their lives on a daily basis throughout the year. It includes a '*reflection page*' for **52** weeks of the year, upon which your family can record their encounters, thoughts, experiences and living presence of God in our midst.

It includes space for considering and recording what we are most grateful for in our daily lives, as we have much for which to give thanks.

It includes space for identifying and recording the places we "**SEE**" (experience) God in our lives, such as: *in all forms of nature, through acts of kindness, acts of forgiveness, words of encouragement, special skills, talents and abilities we may hold, acts of charity and generosity, moments of prayer, worship at mass, acts of love, etc...*

It includes a space for considering and recording prayerful intentions, which includes praise to God, thanks to God, as well as those special prayers we send out on behalf of others, as well as the needs of the world.

It includes a space for recalling and recording acts of kindness and service we offer to others at home and in the community, as well as receive from others, meaningfully reflecting God's loving presence in all of our lives.

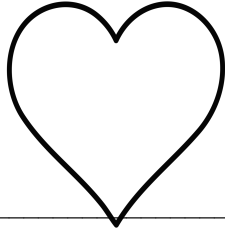

Each reflection page includes a Bible verse that focuses our attention upon God's love, mercy, compassion, peace and forgiveness, virtues that God teaches us and invites us to follow and emulate. These verses further invite us to reflect upon God's presence in our lives and ways we can evangelize others toward him.

At the end of the journal, you will find additional resources that we hope will assist and support in recognizing, creating and awakening to meaningful faith experiences at home and within your community.
