PENTECOST SUNDAY

On this feast of Pentecost, when the Apostles and the other disciples were filled with the Gifts of the Holy Spirit and began to fearlessly proclaim the Good News of Jesus, we celebrate the birth of the Church. So let us open our hearts today to receive the outpouring of this same Holy Spirit, the Third Person of the Blessed Trinity, by offering the traditional prayer to the Holy Spirit:

**"Come Holy Spirit, fill the hearts of your faithful.  
Enkindle in them the fire of your love.  
Send forth your Spirit and they shall be created  
and you shall renew the face of the earth.  
Let us pray: O God, who by the light of the Holy Spirit  
did instruct the hearts of your faithful, grant that  
by that same Holy Spirit, we may be truly wise,  
and ever rejoice in His consolation.  
Through Christ, our Lord.**

**Amen."**

*God bless, Father Herb*

*We congratulate and pray for our 13 adults receiving their Confirmation and First Communion today. May God bless you!*

**WORDS OF TITHING:**

**From the Pastor:** Pray to the Holy Spirit for courage to continue giving Our Heavenly Father the first fruits of our income every week. Our Gift to God is more a sacrifice when we need courage to persevere. Please count on God's goodness, His providence to us, His humble good servants, especially in the more difficult times of our lives.

**Words of Tithing from the Pews:** Without making this about my faith in God, tithing would be just another request for church support. When I prayed about this it became clear that tithing would have to be an important part of my life, my way of thanking God for His goodness.

We need adorers for Sunday afternoons at 12:00 PM, 2:00 PM and 3:00 PM and Thursday afternoon at 12:00PM and 1:00 PM. Please think about being a substitute as well. Thank You! ### ALL SAINTS ACADEMY CORNER

ASA Students Shine at STEM Symposium

All Saints Academy students recently participated in the Diocese of Paterson *STEM Symposium* held at nearby Caldwell University. A team of middle school students presented our school wide research project, "Clean Water - It's in Our Hands." This initiative centered on the need to reduce plastic pollution, and a highlight of the project was the creation of edible water bottles that are biodegradable and a more environmentally friendly option to individual plastic water bottles.

All Saints Academy provides all students – from preschool to grade eight – with a STEM enriched learning environment. Critical thinking and problem solving skills, creativity, teamwork, learning through process and challenge, innovation and global insight are key elements in student-centered STEM education. All Saints Academy teachers and staff are uniquely prepared to develop and implement lessons that combine the traditional elements of math, science and technology and interface them with the engineering design process. And all of this is done in a faith filled environment that places a paramount value on Christian ideals.

To learn more about All Saints Academy and STEM Education, contact our school principal, Mrs. Judy Berg at 973-334-4704.

Así pues abramos nuestros corazones hoy, para recibir la derrama del mismo Espíritu Santo, la tercera persona de la Santísima Trinidad, ofreciendo la oración tradicional al Espíritu Santo:
