Twenty-second Sunday in Ordinary Time  
XXII Domingo Ordinario**

In response to the outbreak of the Delta variant, we are following the CDC recommendation for those living in high-risk areas and are wearing masks at Mass until the infection rate returns to a safe level. Masks are available, but if you have your own, then bring that one with you. We continue to sit together as families, leaving a safe distance between family groups. There is an area at the front of the church with 6 feet spacing for those who may find that more comfortable.

As another precaution, we are postponing the start of Religious Education classes until at least October. We will continue to evaluate safety concerns before setting a firm start date.

Thank you for your understanding and cooperation as we work to keep everyone safe.

En respuesta al brote de la variante Delta, seguimos la recomendación de los CDC para quienes viven en áreas de alto riesgo y usamos máscaras en Mass hasta que la tasa de infección regrese a un nivel seguro. Hay máscaras disponibles, pero si tienes las tuyas, llévalas contigo. Seguimos sentados juntos como familias, dejando una distancia segura entre los grupos familiares. Hay un área en el frente de la iglesia con un espacio de 6 pies para aquellos que puedan encontrarlo más cómodo.

Como otra precaución, pospondremos el inicio de las clases de Educación Religiosa hasta al menos octubre. Continuaremos evaluando los problemas de seguridad antes de establecer una fecha de inicio firme.

Gracias por su comprensión y cooperación mientras trabajamos para mantener a todos a salvo.

# POWERFUL EARTHQUAKE STRIKES HAITI

**Families need your help today!**

*Gregory Andre shows a photo of his brother Remossa Andre, who died during the earthquake in Camp Perrin, Les Cayes, Haiti.*

**Massive 7.2 magnitude earthquake hits Haiti, killing nearly 1300 people, with death toll numbers increasing.**

The shock leveled homes, leaving thousands without shelter. Countless others are injured and hospitals are already overwhelmed.

Haiti is a country already susceptible to hurricanes and still recovering from the disastrous earthquake a decade ago and many in Haiti are already facing widespread hunger due to drought and economic instability. Your gift is critical for the families in Haiti.

When you give, you provide immediate assistance for our Haitian sisters and brothers desperate to survive this devastating situation. Your help will deliver immediate relief.

Your prayers and support will make so much difference. Please give a vital gift today!
