

January 2021

Dear Parents,

As we journey into this New Year, please continue to ask God to help ensure health for our faculty, staff, and students and semi-normalcy in the coming months.

The week of January 4-8 CTK will be using the distance learning platform for instruction. We will resume on campus instruction on Monday, January 11, 2021. Your child's teacher will provide you with detailed information on how to proceed. Please remember that this is not an extended vacation, but a full week of learning.

Registration

The 2021/2022 Registration/Tuition Agreement was emailed to each family on Monday, December 15, 2020. To secure a place for your child/children for next year, return the Tuition Agreement along with the Registration deposit **no later than Friday, February 5, 2021**. If you are moving out of town or transferring to another school, please send a letter and let us know so we can give that place to another child.

Finances/Tuition

Christ the King policy: "All past due tuition and fees for the previous year must be paid before a child is registered for the next year. All payments for the current year must be completed before a child is withdrawn from the school." Please remember that in order to receive the contributing Catholic rate, all donations should have been made by December 31. Christ the King Church subsidizes Christ the King Catholic School and St. Michael Catholic High School.

School Calendar

Picture Day is scheduled for Tuesday, January 12, students are to wear their dress uniform..

Please note that on Monday, January 18 there will be no classes at CTKCS due to Dr. Martin Luther King, Jr. Holiday.

Health

As we return to school this month, we are entering the cold and flu season, as well as still enduring the Covid crisis.. Please do not send your child to school when they are sick. Call the school office and let us know if your child has an infectious disease so we can take every measure of prevention for the illness spreading. Before a student returns to school from an illness, the following criteria should be met:

- Student should be free of fever above 100 degrees for 24 hours and **without** medication for 24 hours prior to returning to school.
- Student should be free of vomiting and/or diarrhea for 24 hours and **without** medication for 24 hours prior to returning to school.
- Students with excessive coughing, sneezing, or nasal drainage should remain at home.

Faculty Appreciation

Thank you to all parents of 5th grade students who sent in snacks for our faculty meeting this month. We appreciate your efforts on our behalf.

Thank you to a very generous anonymous donor we were able to add to the faculty/staff Christmas gifts.

Sincerely in Christ,

Lisa McDuff
Principal
