Good Evening Parents, Teachers and Students,

We are ready for our first full week of our Distance Learning Program. We are so blessed to have such access to technology and online resources.

Our teachers have been working hard to create the best learning opportunities for our students. Please know that each teacher has a different approach and will do what is in the best interest of their class. The DLP looks different from grade level to grade level.

The CTK administration is working closely with Father O'Connor and the Office of Catholic Schools to ensure that we can provide the best academic opportunities for our students. CTK will share new information as updates are received.

Remember, as a nation, we are all going through this difficult time. God has a plan for all of us, we need to trust in Him.

May the peace of Christ be with us all,

Lisa McDuff
