

April 21, 2020

Dear Christ the King family,

Welcome back to Distance Learning 2020! We hope you had a peaceful and relaxing break.

This is obviously an unprecedented time, and as such we have an unprecedented call to do things differently than we have in the past at CTKCS.

As a school we are charged with the continued education of our students for the remainder of the year, wherever that may be. As a school community we are continuing to work for the best interests of all of our students, families, and extended CTK family, now and for our future.

There are many activities and events planned for May. It is certainly possible, if not probable, that some or all of these events will be changed in some way. As you know, the administration is working to have alternate plans in place if need be and welcomes suggestions from you as to how these activities can be revised and still provide the same special meaning for our students, the class, parents, and the school this year.

Please know that while we encourage and appreciate your feedback, we must make decisions based on what is best for our school as a whole. We do not take these decisions lightly and we are working to close our 2019-2020 school year in the celebratory manner - at a distance - that we do every year.

You can reach us at [distancelearning@ctkcsdaphne.org](mailto:distancelearning@ctkcsdaphne.org). Thank you for partnering with us!

Lisa McDuff  
CTKCS Principal
