

Dear Parents,

From November 22nd-30th, Christ the King School community had 5 positive cases of COVID. Also, as the flu season approaches, please review the following Parent/ Student handbook procedures for returning to school.

Before the student returns to school the following criteria should be met:

- Students must be free of fever above 100 degrees for 24 hours and **without** medication for 24 hours prior to returning to school.
- Students must be free of vomiting and/or diarrhea for 24 hours and **without** medication for 24 hours prior to returning to school.
- Students with communicable diseases may return to school after receiving required treatment. A letter from the physician must be submitted to the nurse before the child is readmitted to school.

Today our leadership team will present Thomas Hospital representatives with gifts and cards made by the students. We are proud to show our appreciation for healthcare professionals! Parents, thank you for your generosity. We had over 1500 granola bars donated for the healthcare professionals. Our students made over 500 cards.

Please remember, starting on November 29th, all students that go home at 3:00 will line up in their 6th Street carpool line at dismissal. You may continue to park at the Immaculata Center and walk through the courtyard and pavilion to pick your child up from their carpool line. **Please do not walk down Dryer and 6th Street to pick up your student if you park at Immaculata Center.**

Ice cream sales are making a comeback! Ice cream will be available for purchase in the gym on spirit shirt days. Get your ice cream money ready for November 29th! Prices will be .50 cents to \$1.

The faculty and staff at Christ the King wish you a very Happy Thanksgiving!

God Bless,

Jackie Garlock
