NUESTRA PARROQUIA – NUESTRO FUTURO

GIÁO XỨ CHÚNG TA – TƯƠNG LAI CHÚNG TA

## *St. Francis of Assisi Parish Capital Campaign*

We have had a very successful Preliminary meeting for permit applications with the City of La Quinta.

The preliminary meeting purpose is to have an initial review of the project, ask and answer planning questions, get familiar with the permit planning process and prepare to start the application process.

We have since submitted the required applications, being approved by the Diocese. They are a Conditional Use Permit Amendment, Site Development Permit and Environmental Assessment. A Final landscape Plan will be required at a later date. We have approved a Landscape Architect to help with this requirement.

The permitting process will take eight or nine months. We can request engineering and construction bids in about six months, providing the permit review is proceeding without problems.
