Dear School Families and Supporters of Sacred Heart Elementary School,

I write to share that Ms. Mary Fasick and the Bright Beginnings Learning Center will be departing Sacred Heart School and campus at the end of the current school year.

Please join me in expressing sincere gratitude to Ms. Fasick for her contributions to our community including serving as Principal for our students from K-8 during this transition year. She also brought a full service day care for infants and toddlers along with a Pre-K instructional program for families in Oxford and the surrounding area. We are thankful for her work for the good of the children at all levels of life and learning.

With the continued support and guidance of the Foundation for Catholic Education, our Board of Limited Jurisdiction, and the Office of Catholic Education the following steps will take place effective immediately to continue the availability of Catholic Elementary Education in Southern Chester County:

1. A Steering Committee will commence the search process for a new Principal with the qualifications and commitment to mission that are necessary to lead our school.
2. Following the hiring of the new Principal, the search process for his/her Advancement Director and Director of Early Childhood will commence in order to solidify the key components of the administrative team.
3. I will share updates regarding these processes with you in a timely fashion after milestones are reached.

God has blessed us in many ways, known and unknown, with your presence. Be assured of my prayers and my ongoing gratitude for your commitment to Catholic Education in Oxford.

Sincerely yours in Christ,

Rev. Michael F. Hennelly
