thoughts from our Pastor, FR. HAI

According to the Catholic Encyclopedia, the origins of Corpus Christi can be traced to Saint Juliana de Cornillon, also known as St. Juliana of Liége. From her early youth, Juliana had a great veneration for the Blessed Sacrament, and always longed for a special feast in its honor. Her desire was increased by a vision she had of the Church under the appearance of the full moon having one dark spot, which signified the absence of such a solemnity. In 1208, she reported her first vision of Christ in which she was instructed to plead for the institution of the feast of Corpus Christi. The Feast of Corpus Christi was first celebrated in Liége in 1246, and later adopted for the universal church in 1264 by the order of Pope Urban IV.

The Celebration of Eucharist is “the source and summit of the Christian life.” (Catechism of the Catholic Church, 1324) At moment of consecration, the bread and the wine change completely into the actual body and blood of Christ. This change is known as Transubstantiation and Christ’s presence in the elements is called the Real Presence. In other words, Christ’s body and blood are present “in, with and under” the forms of bread and wine. The celebration of Holy Eucharist makes present Christ’s sacrifice on the Cross in an un-bloody manner, for that reason it is sometimes known as the Holy sacrifice of the Mass. Through it, forgiveness of sin may be obtained.

As we partake of it, the Eucharist becomes part of us, transforms us, and makes us more and more righteous. In the words of St. Maximilian Kolbe:

“If angel would be jealous of men, they would be so for one reason: Holy Communion.”

How will we set aside time both to adore Christ present in the Eucharist and to serve the poor in a hands-on ways?

Parish Ministries and Organizations:

As Jesus reminds us that he is the vine and we are the branches, and it is the branches through which nourishment enlivens the vine, so it is with parish ministries and organizations. There are many ministries and organizations by which our parish is enriched – some of which require occasional participation, and others which entail regular service. One does not become a parishioner simply by attending Sunday Mass. Your involvement in one of these ministries and organizations will not only enrich your life, but it will also vitalize the communion of faith we enjoy here at St. Thomas More.
