thoughts from our Pastor, FR. HAI

Today we celebrate the Feast of the Ascension of our Lord into Heaven and our own tradition of honoring all that is great about a mother’s love for her child.

One is the ultimate supernatural event: the most incredible of things actually took place! Not only did our Lord rise from the dead and was seen again by many here on Earth, He actually ascended bodily into Heaven. And the other is the ultimate natural event: the most incredible thing we can experience as women and men; the birth of a child.

How do they go together? Let’s recall our Gospel and the events that had just taken place.

While Jesus was still on the cross, his mother and the beloved disciple were standing there. And Jesus said, “Woman, behold your son”, then he said to the disciple, “Behold, your mother.” (JN 19:26-27)

The Lord comforts us as His brothers and sisters that we too have His mother Mary as our spiritual mother and she is the perfect model for all mothers.

And we hear in today’s Gospel that Jesus must ascend to the Father (Mk 16:15-20), but He promises to send the Advocate, the Holy Spirit to guide and protect us. (LK 24:46-53) The Spirit will guide and protect us just like a mother would do.

So today, we give thanks to God for the gift of all mothers whose children are created in the image and likeness of God. We give thanks to God for all the wonderful, grace-filled mothers who raise their children with faith, hope, and love. And in a special way, we honor all those women who have been called by God to rise above life’s imperfect circumstances to become wonderful, grace-filled “Moms” to so many fortunate children.

Happy Mother’s Day!

Vincientian Reflection: 05/13/2018
Volunteers are needed!

Vincentian Reflection:

Jesus expects his disciples to walk in his footsteps. But Jesus always invites us to share in his ministry, never forces us. At the Ascension, Jesus commissioned his disciples to proclaim the gospel. At first this might seem an impossible commission: how can we expect to fill Jesus’ footsteps? On our own authority we cannot preach the gospel, we can fill Jesus’ footsteps only when we hear “the instructions given through the Spirit.” What an awesome honor it is to be disciples of Christ – by returning to his rightful place at the hand of God, Jesus entrusts his mission to us. “No work of charity is foreign to the Society of SVDP.” Accordingly, the possibilities for Vincentian action are almost without limit. Being poor does not always, or necessarily, consist of being short of material goods. Being poor can also mean being physically and mentally handicapped, sick, crippled, old, ugly, or illiterate. There are poor who are or are made to feel alone... immigrants, transients, orphans, the abandoned or rejected, and all those who find themselves among others who are indifferent or hostile. Being poor may mean wanting to cry when others are laughing: being physically or morally chained, as prisoners, shut-ins, alcoholics, drug addicts; being defenseless against attacks, insults or accusations; being an innocent victim of crime or quarrels. The more the Society grows, the more it will reach the lonely and troubled who have need for care and friendship.

The Gabriel Project is a pro-life parish-based apostolate of the Archdiocese of Galveston-Houston offering assistance to women experiencing difficult circumstances during pregnancy. Gabriel Project volunteers act to provide practical advice and help as well as spiritual support and Christian witness to mothers in need. If you need help, please call 713-225-5826.

What a better way to honor the woman who gave you the gift of life than to take a one hour on Mother’s Day and share the gift of life with others!

Donating blood is one of the easiest good deeds you’ll ever do, and you can save up to three lives with one donation! If you haven’t needed blood, chances are that someone you care about has— and you know it’s a price-less gift!
