Rendering of the proposed update for our church interior.

We received the design this week from the company that came in mid-March. This company has done several renovations of the older churches in our Diocese. I thought everyone would like to see it ASAP. It will be on display in church for the next few weeks.

Diocesan Development: To date our parish has received \$4,600.00. Our designated goal for this year is \$15,382.00. I know some of you would like to contribute, but do not have the ability to do so. If you have the ability to help, please add your gift, whatever is affordable, in unity with those who have already given by returning a pledge card. If you are able to give a little more this year, it could be used to make up for those parishioners who are unable to contribute. Thank you!

The diocese and Church in southern Missouri sincerely appreciates your participation.

Prayer Intentions: In gratitude for our parishioners' generosity to the Diocesan Development Fund, we pray to the Lord...

That our gifts to the Diocesan Development Fund will be an acknowledgment of our desire to generously support the work of the wider Church community in southern Missouri, we pray to the Lord...
