**St. Andrew’s Valley View Weekend Meals Program**

Each Friday morning 5 to 7 St. Andrew’s Parish volunteers pack and deliver 16 bags of three meals each for 16 youngsters at Valley View Elementary School. Your food donations, along with supplements from FISH, help fill those bags. One of our (meatballs, ravioli, spaghetti). St. Andrew’s volunteers also shops at Costco every other week using your cash donations from our St. Andrew’s bank account. All in all, St. Andrew’s parishioners have taken on this program and kept it going since the first week of October. Thank You! Valley View teachers and staff are extremely grateful for their students’ welfare. Often one of the students greets deliveries with a smile and thanks, saying, “I think that one’s for me!” and several of the students’ parents have expressed sincere thanks to their children’s teachers. Now, we have four more months to go—16 weeks for 16 kids, so please keep the donations coming!

Here’s What We Need:

- Fruit cups (peaches, pears, mix)
- Individual 100% apple or orange juices
- Applesauce cups
- Cans of soup
- Dinty Moore cups of meatballs, etc.
- Mac and Cheese cups (pre-mixed)
- Protein bars (10-15 grams protein)
- Hot cider packets
- Cans of Chef Boyardee dinners
- Snack crackers with cheese/pbutter
- Please place them in the foyer basket marked ValleyView

**White Mass:** For all doctors, medical professionals & those serving in the Health Profession on Tuesday evening, February 20th at 5:30PM in the Cathedral Chapel.

**Abortion and Adoption**

The number of would-be adoptive parents (of new-born babies) far outstrips the supply in America. Each year in the United States, about 135,000 American children are placed for adoption. Experts estimate somewhere between one and two million couples seek to adopt yearly. Every year, there are about 1.3 million abortions. Sadly, only 4% of women with unwanted pregnancies give their children up for adoption. Every child is wanted, and wanted desperately!

**Virtus training** for anyone who volunteers with minors will be held on Saturday February 24th 11:00 am to 2:00 pm in the dining room of the social Hall. Please register online at Virtus.org. Limited to the first 25 people who register. Additional classes will be offered as needed.
Dear Parishioners,

Last Saturday and Friday we hosted the diocesan confirmation Retreat. The retreat concluded with the kids attending our 5 pm Saturday vigil Mass. It was good to see so many happy young people attending our Vigil Mass. Next Friday and Saturday, February 16-17, I will be helping at a retreat at Port Townsend, so I will not be present for confessions and stations on Friday or for Mass on Saturday. Fr. Ibach will help us with confessions and Mass on Saturday Feb. 17. We are inviting anyone who is interested in joining our Pastoral Council to come to a preliminary meeting on Wednesday February 21 at 6:30 pm at the library. From this meeting we will decide the best day and time to meet. We also need another member for our Finance Council. If you are interested in forming part of any of these councils, please contact me at padredavid@hotmail.com. Blessings to your family,

Fr. David

**STEWARSHIP REFLECTION** Feb 11, 2018.

Lent begins for us Catholics on Feb. 14. Lent is a special time of prayer, penance, sacrifice and good works in preparation of the celebration of Easter. In the desire to renew the liturgical practices of the Church, The Constitution on the Sacred Liturgy of Vatican Council II stated, “The two elements which are especially characteristic of Lent — the recalling of baptism or the preparation for it, and penance — should be given greater emphasis in the liturgy and in liturgical catechesis. It is by means of them that the Church prepares the faithful for the celebration of Easter, while they hear God’s word more frequently and devote more time to prayer” (no. 109). The word Lent itself is derived from the Anglo-Saxon words lencten, meaning “Spring,” and lenctentid, which literally means not only “Springtide” but also was the word for “March,” the month in which the majority of Lent falls.

Our readings on this Sixth Sunday in Ordinary Time more or less serve as an introduction and preparation for Lent. Our First Reading from the Old Testament Book of Leviticus has explanations of and references to leprosy. Worldwide there are some 15 million lepers, almost all of them in third-world nations. In Jesus’ time, once the diagnosis of leprosy was confirmed, everything changed for the leper. They lived in a perpetual state of mourning and in a perpetual state of public disgrace (he shall... cry “Unclean! Unclean!”). Furthermore, they lived in a perpetual state of isolation (“he shall dwell alone.”). As stringent as all this was, eventually the Jews went further. In the days of Jesus many Jews thought two things about a leper: “You are the walking dead and you deserve this because this is the punishment of God against you.” But Jesus was different. He loved lepers; He touched them and healed them when they had no hope at all. In St. Paul’s First Letter to the Corinthians, he declares, “…whatever you do, do everything for the glory of God.” That is another way of saying that God should be at the center of our lives, and literally everything that we do should never lose that focus. Again, as we enter into Lent this week, the idea is not to do the minimum, not to barely fulfill what we are to be and what we are to do to be Disciples of Christ, but to go beyond and truly glorify God. The Lord was always at the center of Paul’s life, but he also makes it clear that his motivation had nothing to with seeking profit or reward or glory for himself. Paul’s greatest desire for others was that they be saved; that was the true concentration of everything he did or tried to do. Paul fully understood that he was an example. More important, he knew that he was not the worthy example, but it was Paul, the follower of Christ, who was the example. As terrible as the physical suffering of having leprosy was, the worst part may have been the way lepers were treated. This does not mean that we have to spend our lives, as St. Teresa of Calcutta (Mother Teresa) did. Her service to others and that of her sisters is well known. In today’s Gospel Jesus sees God in the leper who approaches Him. One of Mother Teresa’s famous quotes was, “I see Jesus in every human being. I say to myself this is hungry Jesus; I must feed him. This is sick Jesus. This one has leprosy or gangrene; I must wash him and tend to him. I serve because I love Jesus.” It is easy to establish guidelines for ourselves during Lent: Love like Jesus. Act like Jesus. Be Christian examples to others. Pray like Jesus. Find Jesus in all around us, and treat them accordingly.
