Results from the survey of St. Andrew’s sponsorship of the community/food-bank garden
Ninety-four responses were received, with all but one in favor of St. Andrews continuing to support this outreach ministry. Sixty-three submitted written comments, two offered suggestions, 8 were interested in renting a plot, 4 were willing to help weed or harvest and 2 offered to sponsor someone with desire to garden on a tight budget.

The most frequent comment was support for donations to the food bank. Also noted was the value of sharing space for those without garden space at home to grow healthy food for their families. Often mentioned was the fact that St. Andrews benefits from the respect and admiration this mission engenders in the larger community.

Two suggestions were received:
1) improved signage indicating our sponsorship
2) the addition of a statue of St. Francis

One respondent favored the mission so long as fees covered expenses. The Ellensburg business community has been very generous in supplying used tarps, wood chips, seeds and many other needs. The Future Farmers Club at EHS helps plant starts to get jump on the growing season. The fees collected do cover the needed expenses. The gardeners are very grateful to St. Andrews allowing use of our land and irrigation. This year’s harvest to the food bank: 1,790 pounds, 280 volunteer hours, planting, weeding and harvesting. WE ARE LOOKING FORWARD TO A NEW SEASON NEXT SPRING.
November 17 & 18, 2018 Again, we are most grateful to our loyal donors and the new donors who have pledged to the Diocesan Annual Catholic Appeal. If you were not present or prepared to make a pledge previously, we urge you to do so today. Your gift is essential to sustaining the many ministries of the Diocese of Yakima. PRO-LIFE CORNER
How Do We Change Our Culture of Death?
Pope John Paul II noted that the structure of man’s sin is characterized or manifest on a universal scale in our Culture of Death. He pointed out that the powerful are easily able to manhandle the weak (e.g. abortion and euthanasia). The culture of death is not the result of philosophy or decrepit ethics, or political theory. The culture of death is a result of sin committed freely by persons. Thus it is fundamentally a personal problem, not a political one. So, the battle will not be won solely by a political action or movement, because the battle is not against human beings or arid philosophies, but is a battle against sin: “For our struggle is not with flesh and blood but with the principalities, with the powers, with the world rulers of this present darkness, with the evil spirits in the heavens” (Eph. 6:12). We love because He loved us first (1 Jn. 4:19), and we spread that love through our testimony to the nations (Acts 1:8). We must try to influence our culture with our words and deeds, realizing that the purpose of evangelization is always to introduce man to the Person of Christ, and the Person of Christ to man, that man might enter into His mystical body, the Church.

STEWARDSHIP REFLECTION Nov. 18, 2018
We are approaching the start of the holiday season. Thanksgiving is less than a week away and if the advertisers are to be believed, the Christmas shopping season is already in full-swing. Today’s readings stand in stark contrast to all this worldly merrymaking, warning us of dark times ahead and our inevitable judgment day. How should a modern-day disci-
