While a day like Christmas is fixed in our minds and on the calendars on December 25th, many of the important feasts of the Church year move, based upon the date that Easter is set. Easter changes each year moving to the Sunday after the "Paschal Full Moon," and can fall between March 22 and April 25.

In ancient times before calendars were common, most people did not know the dates for the upcoming Liturgical year. On Epiphany Sunday, the upcoming dates were "proclaimed" after the gospel in this way:

Dear brothers and sisters,
the glory of the Lord has shone upon us, and shall ever be manifest among us, until the day of his return. Through the rhythms of times and seasons let us celebrate the mysteries of salvation.

Let us recall the year's culmination, the Easter Triduum of the Lord: his last supper, his crucifixion, his burial, and his rising celebrated between the evening of the Eighteenth of April and the evening of the Twentieth of April,

Easter Sunday being on the Twenty-first day of April. Each Easter -- as on each Sunday -- the Holy Church makes present the great and saving deed by which Christ has for ever conquered sin and death. From Easter are reckoned all the days we keep holy.

Ash Wednesday, the beginning of Lent, will occur on the Sixth day of March.

The Ascension of the Lord will be commemorated on Thursday, the Thirtieth day of May.

Pentecost, joyful conclusion of the season of Easter, will be celebrated on the Ninth day of June.

And, this year the First Sunday of Advent will be on the First day of December, 2019.

Likewise the pilgrim Church proclaims the Passover of Christ in the feasts of the holy Mother of God, in the feasts of the Apostles and Saints, and in the commemoration of the faithful departed.

To Jesus Christ, who was, who is, and who is to come, Lord of time and history, be endless praise, for ever and ever. Amen.
